2011-12 SEASON OUTLOOK

JAYHAWKS AIM FOR EIGHTH-STRAIGHT BIG 12 REGULAR-SEASON TITLE

Expectations are always high for Kansas men's basketball and that is status quo for the 2011-12 season as KU coach Bill Self enters his ninth season at the helm with an 83.7 (237-46) winning percentage. Kansas returns one starter and eight letterwinners from last season's 35-3 team, which won its school-record seventh-straight Big 12 regular-season title, 11th overall Big 12 championship and NCAA-leading 54th conference regular-season crown. Kansas also won its Big 12-high eighth postseason championship and entered the 2011 NCAA tournament as a No. 1 seed for the 10th time in school history. The Jayhawks advanced to the NCAA Tournament Elite Eight in 2011.

Tyshawn Taylor

assists) had six starts his sophomore year and made 40 percent of his three-pointers attempted. Other returning letterwinners include senior guard Conner Teahan, a 2010-11 redshirt who has appeared in 61 games while at KU, junior center Jeff Withey (2.3 ppg, 19 blocked shots) and walk-on guards Jordan Juenemann, a senior, and sophomore Niko Roberts.

New Faces

Newcomer-wise, junior forward Kevin Young should have an immediate impact for the Jayhawks. Young played two seasons at Loyola-Marymount and sat out last year before coming to Kansas. He averaged 10.7 points and 5.7 rebounds per game his sophomore year in 2009-10 and broke several LMU freshman records the previous season when he scored 9.1 points and pulled down 7.2 rebounds per outing. Sophomore forward Justin Wesley was a redshirt on the Kansas roster last season. The younger brother of KU great Keith Langford, Wesley is a transfer from Lamar who has added 20 pounds to his frame since arriving at Kansas, coming into the season weighing 220 pounds.

KU has five freshmen on this season's roster with guards Naadir Tharpe, Merv Lindsay, Ben McLemore and Christian Garrett and forward Jamari Traylor. McLemore is the most heralded of the group coming in ranked No. 17 nationally by rivals.com last spring. Tharpe is described as a true point guard who played at Brewster (N.H.) Academy last year, guiding his team to a 35-5 record and a prep school national championship. Traylor will provide immediate depth inside for Kansas as he averaged 20 points and 12 rebounds at IMG Academy in Bradenton, Fla. Lindsay averaged 15.0 ppg and 10.2 rpg his senior year at Canyon Springs (Calif.) HS, while Garrett scored 14 points per game and averaged seven assists as a teammate of Traylor before coming to Kansas last January.

Who's Back

A three-year starter, senior guard Tyshawn Taylor is KU's returning leading scorer from 2010-11 with a 9.3 scoring average. Juniors Thomas Robinson, Travis Releford and Elijah Johnson were also regulars last season. Robinson is a forward who is Kansas' leading returning rebounder (6.4 rpg), which complemented his 7.6 scoring average. Robinson has appeared on many national preseason honors lists heading into the 2011-12 season. Releford (3.6 ppg in 2010-11) is a redshirt junior who started four games last year. The Schedule

Just when one thought the Kansas schedule could not get tougher from previous years, it has. Ten of Kansas' 13 non-conference opponents advanced to 2011 postseason play. The Jayhawks could face as many as three defending league regular-season champions and three teams that won their conference tourney titles in 2011. KU will have home-and-home meetings against all nine Big 12 foes in the league's first complete round-robin 18-game format since the inception of the conference in 1996-97.

Kansas will play Kentucky Nov. 15 in historic Madison Square Garden in the inaugural Champions Classic doubleheader. Following the Champions Classic, Kansas will participate in the

2011-12 SEASON OUTLOOK

EA SPORTS Maui Invitational in Hawaii in a who's who of national basketball powers. KU will face Georgetown in the opening round on Nov. 21, then either UCLA or Chaminade Nov. 22. The other bracket includes Duke, Memphis, Tennessee and Michigan.

"I believe this is the hardest schedule we have played since we've been here at Kansas and our strength of schedule, RPI-wise, has been in the top 10, almost yearly," Self said. "This will be the hardest schedule, not only because of Kentucky and the three games in the Maui Invitational and South Florida, Long Beach State, Ohio State, Davidson and USC but, also because you play everyone in the league twice and it makes it much harder with 18 games as opposed to a 16-game schedule. We know that this is going to be a young team, much like that team was after we won the national championship (2008). We know we're going to have to grow up fast but this early schedule should be a great way to force us to grow up fast and certainly we're looking very forward to it."

ALLEN FIELDHOUSE

Named in honor of the late Dr. F.C. "Phog" Allen, the Jayhawks' head coach for 39 years, Allen Fieldhouse is labeled by many as one of the best places in America to watch a college basketball game.

The Fieldhouse was dedicated on March 1, 1955, as the Jayhawks defeated Kansas State, 77-67, before an overflow throng of 17,228.

Jayhawk fans have been piling into the Fieldhouse ever since Kansas has led its conference in attendance in each of the last 25 years and consistently rank in the top 10 nationally. With capacity seating of 16,300, Allen Fieldhouse is the second-largest basketball arena in the Big 12 Conference and the largest in the state of Kansas. The Jayhawks have sold out 164 consecutive games dating back to the home-opener in 2001 against Pittsburg State, when the attendance of 16,100 was just 200 shy of capacity. In 2007-08, Kansas led the nation in overall attendance as 756,830 watched KU play in person.

Since the conclusion of the 2004-05 season, Allen Fieldhouse has gone through major upgrades with the intent not to lose the luster of the complex, including a new practice facility and locker room, a new scoreboard and sound system and a new floor to add more cushion for those who play on it.

In October 2009, KU completed a \$42 million project that included a 11,610 square-foot practice facility, a 5,000 square-foot club house/locker room and 14,000 square-foot academic support building.

In addition to the inside renovations, the Booth Family Hall of Athletics has been added to the east side of Allen Fieldhouse. The \$8 million 26,000 square-foot project was dedicated Jan. 21, 2006, and features a comprehensive history of Kansas athletics. The experience provided by the Booth Family Hall of Athletics has attracted KU and college basketball fans from across the country.

Capacity in Allen Fieldhouse was 15,200 prior to the 1986-87 season, when 600 seats were added. Prior to the 1994-95 season, an additional 500 seats were added, bringing capacity to 16,300.

There are 4,000 seats, including many close to the playing floor, reserved strictly for the students. A \$3.5 million renovation prior to the 1998-99 season paved the way for new and larger restrooms and concession stands, an elevator and larger, more accessible entryways.

Prior to the 2005-06 season, Kansas Athletics recognized the Ward family at Allen Fieldhouse for their contributions toward the renovations in the Fieldhouse. Enhancements to Allen Fieldhouse included a new playing floor, new lighting system, new scoreboard/video board, new sound system, new windows and updated safety equipment. Additionally, the bleachers were painted crimson and blue, the east side chairback seats were refurbished, some first level restrooms updated, the inside ceiling painted and the outside of the Fieldhouse cleaned.

Allen Fieldhouse, historically, has served as host for many NCAA championships. In men's basketball alone, Allen Fieldhouse has hosted 37 NCAA Tournament games.

Today, Allen Fieldhouse hosts more than 40 home basketball games (men and women combined) each year. The facility has also been used for stage shows, major addresses and for commencement ceremonies when the weather is inclement.

Originally, Allen Fieldhouse was used as a multi-purpose facility. The Kansas track teams ran there during the indoor season and the Fieldhouse served as an indoor practice facility for the basketball, softball and football teams.

In 1984, Anschutz Sports Pavilion was completed, making Allen Fieldhouse the exclusive home of KU men's and women's basketball and Kansas volleyball.

In October of 1998, the Horejsi Family Athletics Center was constructed just west of Allen Fieldhouse. This 16,500 square-foot building serves as the home for KU volleyball.

Administrative and coaching offices for the athletics department are located in Allen Fieldhouse. Parrott Athletic Center, annexed to the Fieldhouse in 1970, and the Wagnon Student-Athlete Center.

Over the past 27 seasons, Kansas has compiled a 387-27 record in the Fieldhouse, including 16-1 in 2010-11. Between February of 2007 and January of 2011, the Jayhawks won a school-record 69 consecutive games in Allen Fieldhouse.

ACTIVE IN THE COMMUNITY

Each year, Kansas basketball gives something back to the community that supports it so passionately.

From the time classes start in late August until the end of the spring semester, Kansas basketball will donate countless hours of its time and raise hundreds of thousands of dollars for charity.

Basketballs for Charity

During the course of the season, every Kansas basketball player and coach will participate in nearly \$500 basketballs which are sold to the general public through basketball tournaments and other funds for various charities.

Recent money from basketball sales has gone to Big Brothers/Big Sisters, Douglass Community and the Study Readiness Program at the Lawrence Schools Foundation. The KU basketball team has been involved in many other charities throughout the years.

Christmas Help for Those Who Need It

During the holiday season each Jayhawk player goes out to help the less fortunate in our community. Through their individual donations, the Jayhawks players purchase gifts and monetary amounts to the families.

Salvation Army Food Drive

Every October, "Red Knight" KU basketball players and coaches collect food items for the Salvation Army. In 2010, the Jayhawks collected over \$16,000 worth of non-perishable items, but from an average of collecting over \$10,000 food items, thousands of families have been helped by the Jayhawks and the local food banks.

Wilt Chamberlain Special Olympics Clinic

The Kansas men's basketball team continues to support the Special Olympics and its beneficial association with the Special Olympics.

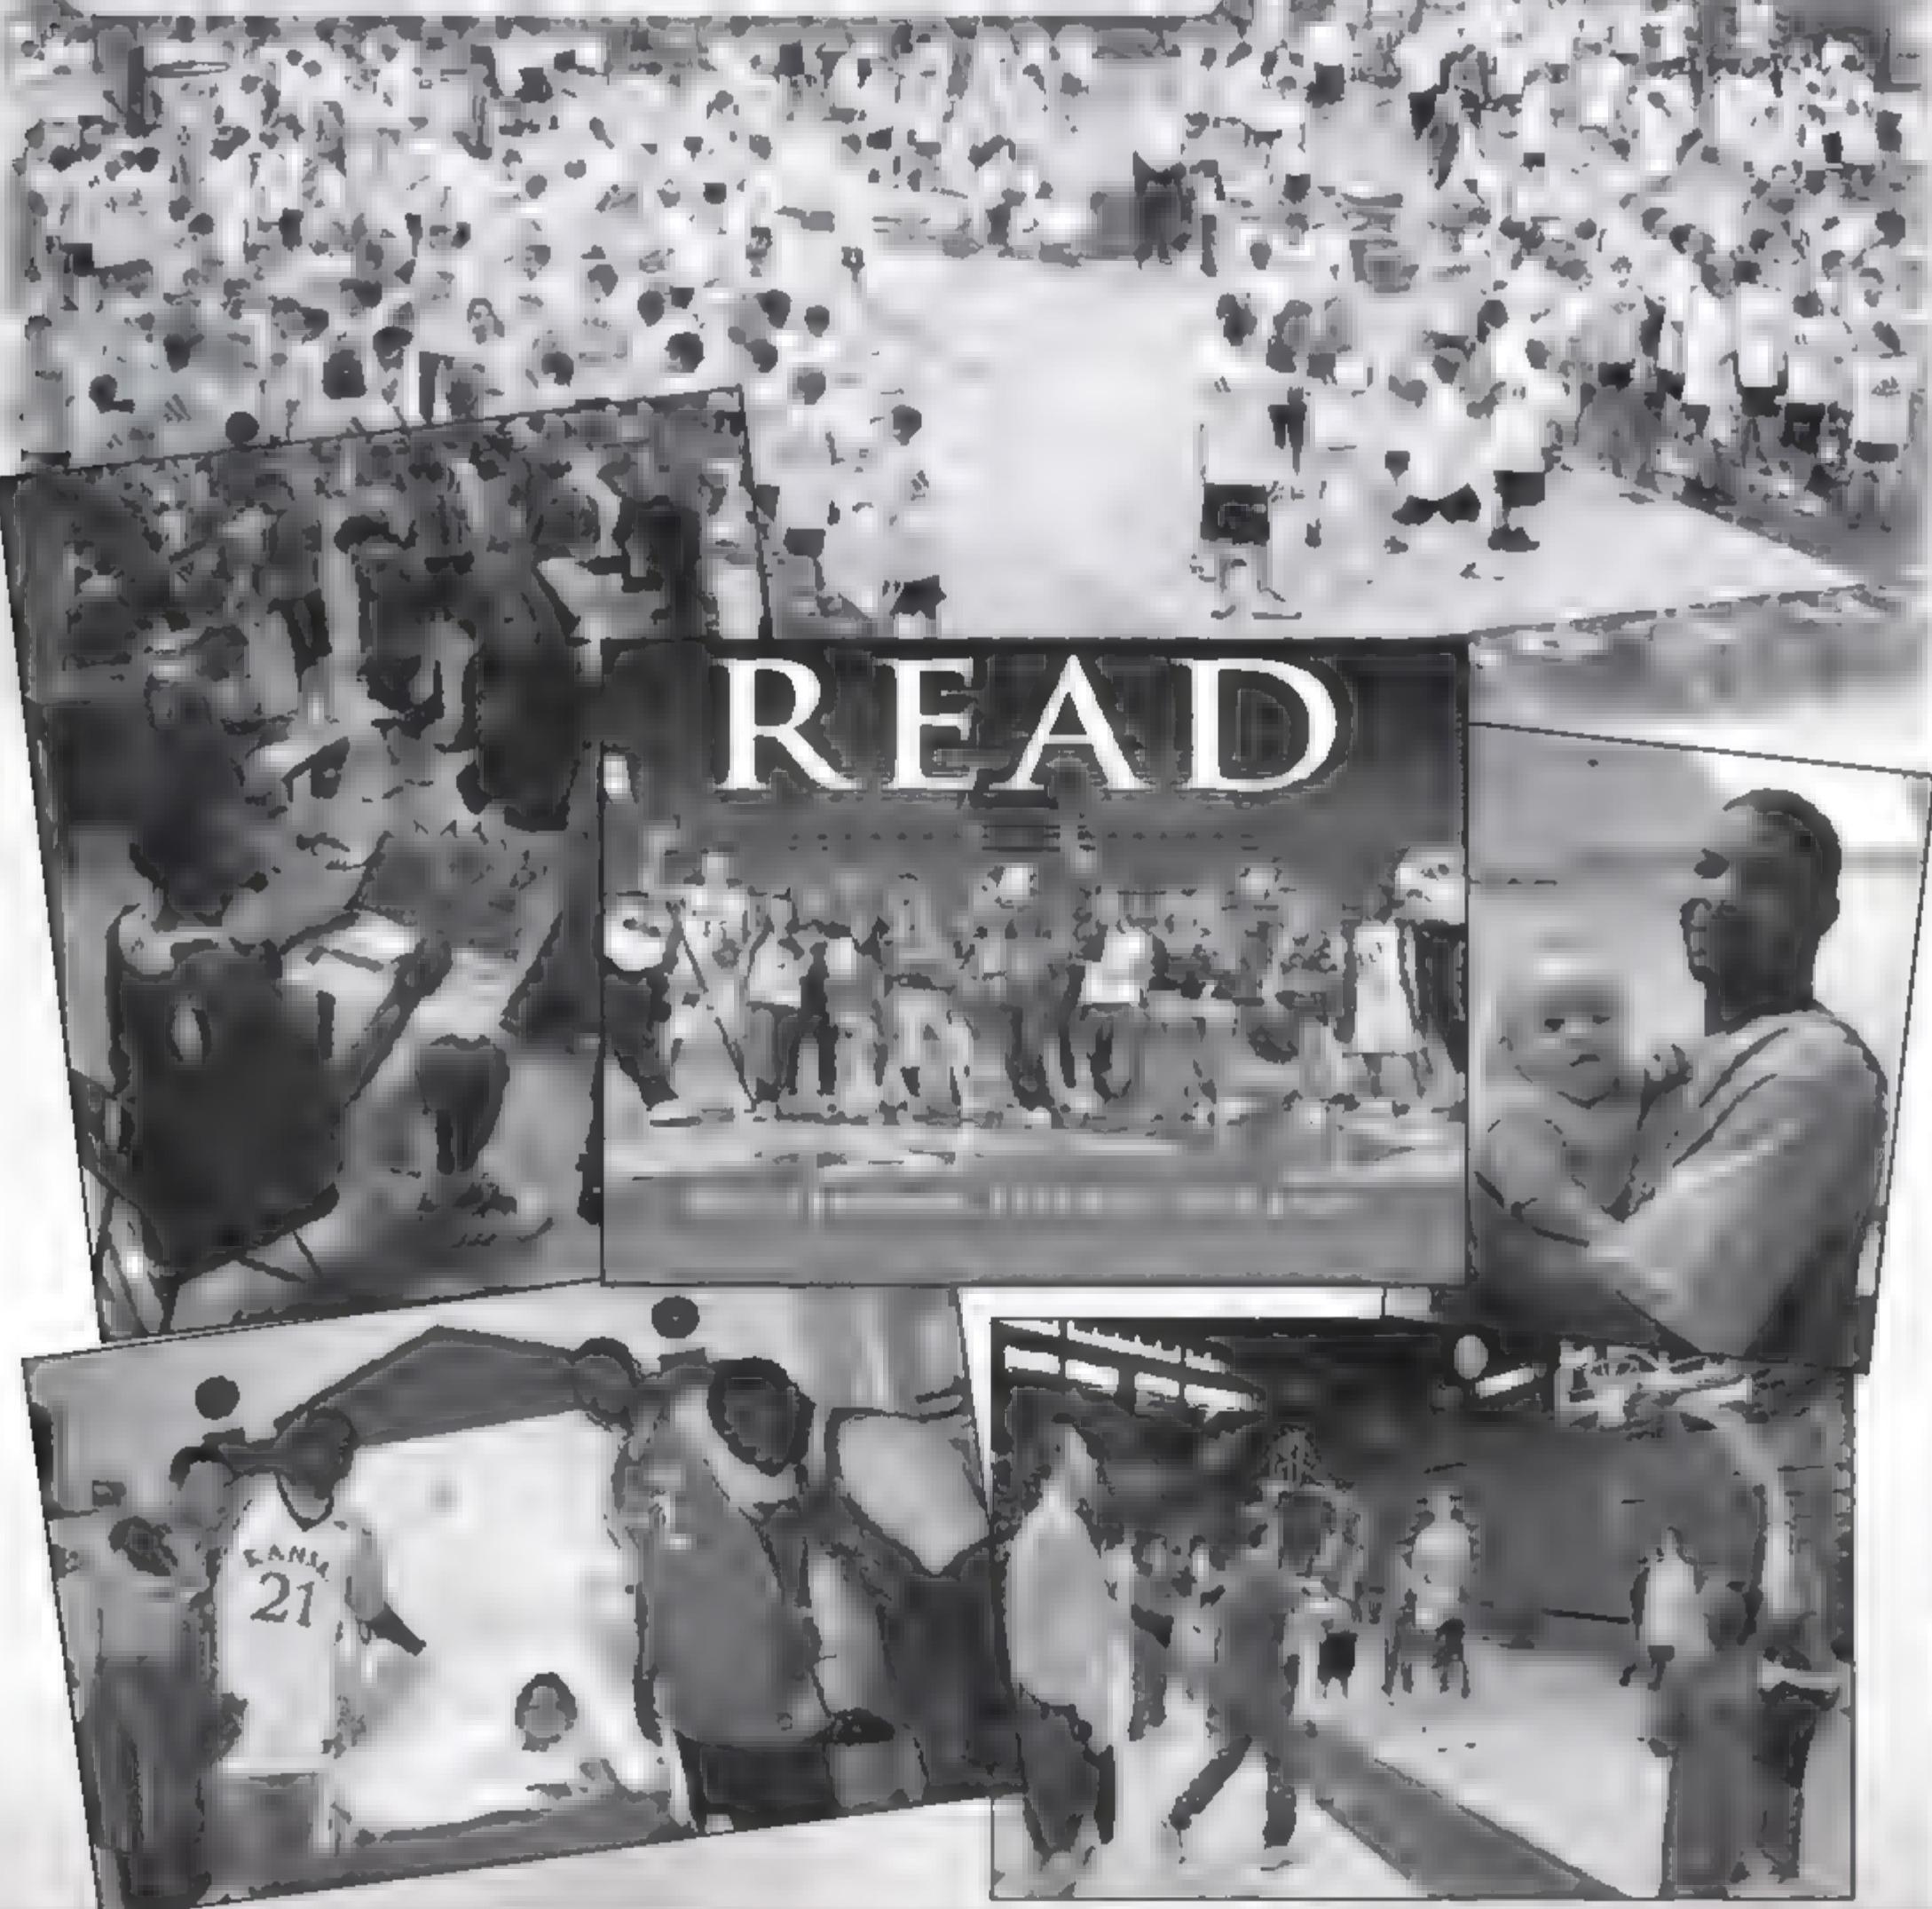

In 2009, the Jayhawks hosted a clinic to help teach basketball skills to children with disabilities through the Kansas Special Olympics.

On Nov. 12, 2010, the Jayhawks hosted a clinic to help teach basketball skills to children with disabilities through the Kansas Special Olympics. The clinic was held at the Allen Fieldhouse.

ACTIVE IN THE COMMUNITY

Kansas Athletics facilitates and encourages involvement of its teams and individual student-athletes in the life of their community outside the boundaries of their normal college existence. As volunteers, KU student-athletes not only represent themselves, but also their respective teams, Kansas Athletics and the University of Kansas. By volunteering and giving back to Lawrence and surrounding communities, KU student-athletes gain leadership skills through service while providing a positive influence in their community.

KU TRADITIONS

CAMPANILE HILL

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday, the "Hill" is transformed into a congregating place for watching Jayhawk football, sunning and barbecuing. Potter Lake, just to the southwest of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

LATE NIGHT IN THE PHOG

"Late Night" at the University of Kansas continues to be one of the most well-attended midnight madness events in all of college basketball. Each year, some 16,000 fans pack into Allen Fieldhouse to catch an off-beat look at the Jayhawks and to get a sneak peak at the highly-touted freshmen.

Former Kansas coach Larry Brown, in 1985, helped get "Late Night" started. The title of the event was borrowed from the show, "Late Night With David Letterman."

"Late Night" was an instant success at basketball-crazed KU, but it really blossomed in the early 1990s and has become a tradition at KU.

Since 1988-89, the Jayhawk women's basketball team has taken on a greater share of the "Late Night" load and often shares center court with the KU men's team. The pep band, cheerleaders, dance team and mascots are also very much involved in the pre-scrimmage entertainment.

For Jayhawk fans, "Late Night" has provided some lasting memories. In 1989, Alonzo Jamison snapped the entire basketball goal support with a pre-game slam dunk. In 1991, 7-0 freshman Greg Ostertag lip-synced "Friends in Low Places." In 1996, Scot Pollard had the house lights lowered and proposed to his girlfriend--she accepted.

SENIOR DAY

Kansas basketball fans say good-bye to senior members of the Jayhawks with one of the most festive days in all of college basketball.

Senior Day, always an emotional day for Jayhawk fans, includes both a pre- and post-game ceremony in Allen Fieldhouse.

The seniors, including senior student-managers, join their parents at center court and are introduced to the crowd. In recent years, KU fans have tossed flowers on the court to show their appreciation for the players.

The Kansas coaching staff believes strongly in senior leadership and the seniors are often asked for input on many facets of the Jayhawk basketball program, from team travel to the design of championship rings.

And, for the last 19 years, seniors have been in the starting lineup on Senior Day. Kansas fans will long remember Senior Day in 1995 when the Jayhawks hosted Oklahoma State in a game that determined the Big Eight Conference championship. Both teams entered the game with 10-3 league records.

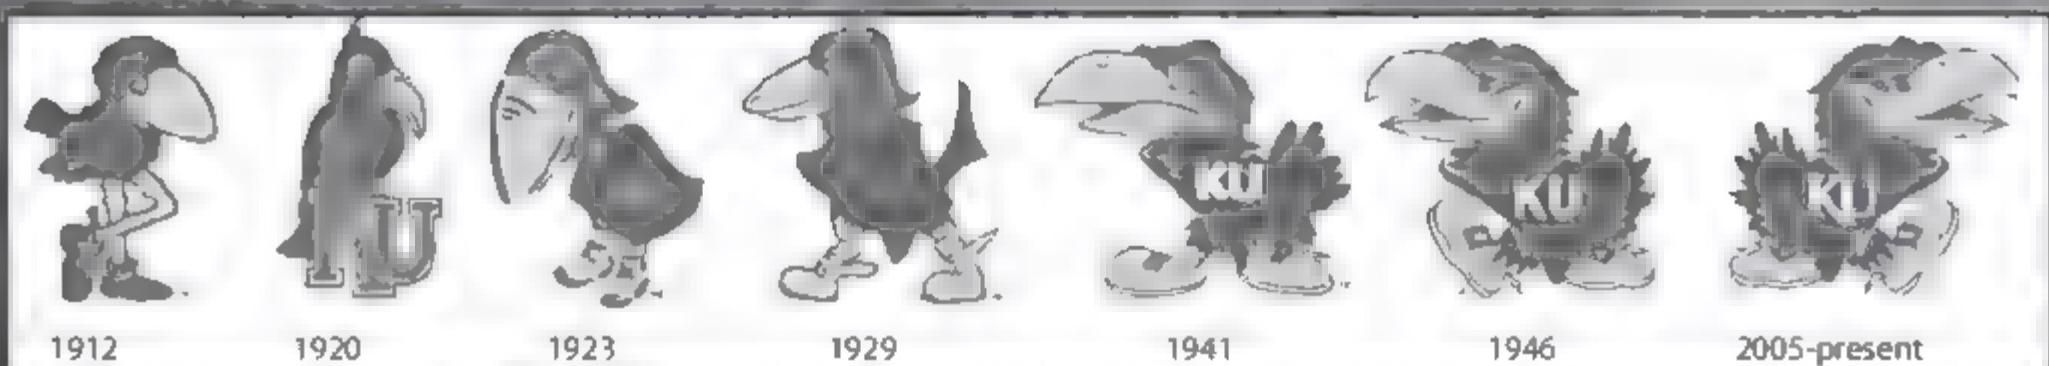

Even with the league title hanging in the balance, a walk-on, Scott Novosel, was in the starting lineup. When Novosel was taken out of the game, he was greeted by a standing ovation. Kansas went on to win the game and claim the Big Eight title.

"CAMPING" FOR SEATS

For practically every home basketball game, between 50 and 500 KU students stand in line for up to a week with hopes of securing courtside seats.

Up until the mid-1990s students literally camped outside of Allen Fieldhouse in tents for days. For safety reasons, KU officials helped organize the campers so that everything is done inside of Allen Fieldhouse and students are sent home at 10 p.m.

Unique to KU is that the students "camping" are already in possession of tickets (general admission). They wait in line solely to secure the best seats available.

KU TRADITIONS

THE ROCK CHALK CHANT

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange, traditional chant, which is among the most famous of all college cheers, was started by E.H.S. Bailey, a professor of chemistry. On May 21, 1886, Bailey submitted the cheer to his club.

Before the University adopted the cheer in 1897, it consisted of "Rah, Rah, Jayhawk, KU" being repeated three times. An English professor soon suggested that "Rock Chalk" be substituted for "Rah, Rah" because it rhymed with Jayhawk. "Rock Chalk" was also symbolic of the chalky limestone formations found on Mount Oread. Teddy Roosevelt once said the Rock Chalk Chant was the best he had ever heard.

THE SCHOOL COLORS

The University of Kansas colors, crimson and blue, used since the early 1890s, are not the colors originally adopted by the university Board of Regents in the 1860s. The Regents had decided to adopt the Michigan colors, maize and sky blue.

Maize and blue were used at early oratorical meets, and they may have been used when Kansas competed in rowing in the middle 1880s. However, when football came upon the scene in 1890, the student boosters wanted to use Harvard crimson as the athletic color in honor of Col. John J. McCook, a Harvard man, who had given money for an athletic field at KU. That field ran east and west in the proximity of where the north bowl of Memorial Stadium stands on the Kansas campus today.

Some Yale men were on the faculty, and they demanded the Yale blue be included. The rooters rallied forth to allow crimson and blue on their team. No one fought to retain the original colors, and the vivid deeper tone crimson and blue became generally used. Finally, in May 1896, the KU Athletic Board adopted crimson and blue as the official team colors for the university.

THE ALMA MATER

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure, he thought of the Cornell song "Far Above Cayuga's Waters." Hurily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but "Crimson and the Blue" still goes on. The music is not Cornell's but an old English folk tune, "Annie Lisle."

WAVING THE WHEAT

Since the early days of KU sports, it has been a ritual of Jayhawk fans to "wave the wheat" following every Kansas scoring drive in football. The tradition also extends to Allen Fieldhouse where fans "wave the wheat" when an opponent fouls out and at the conclusion of every Jayhawk victory. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

THE NICKNAME

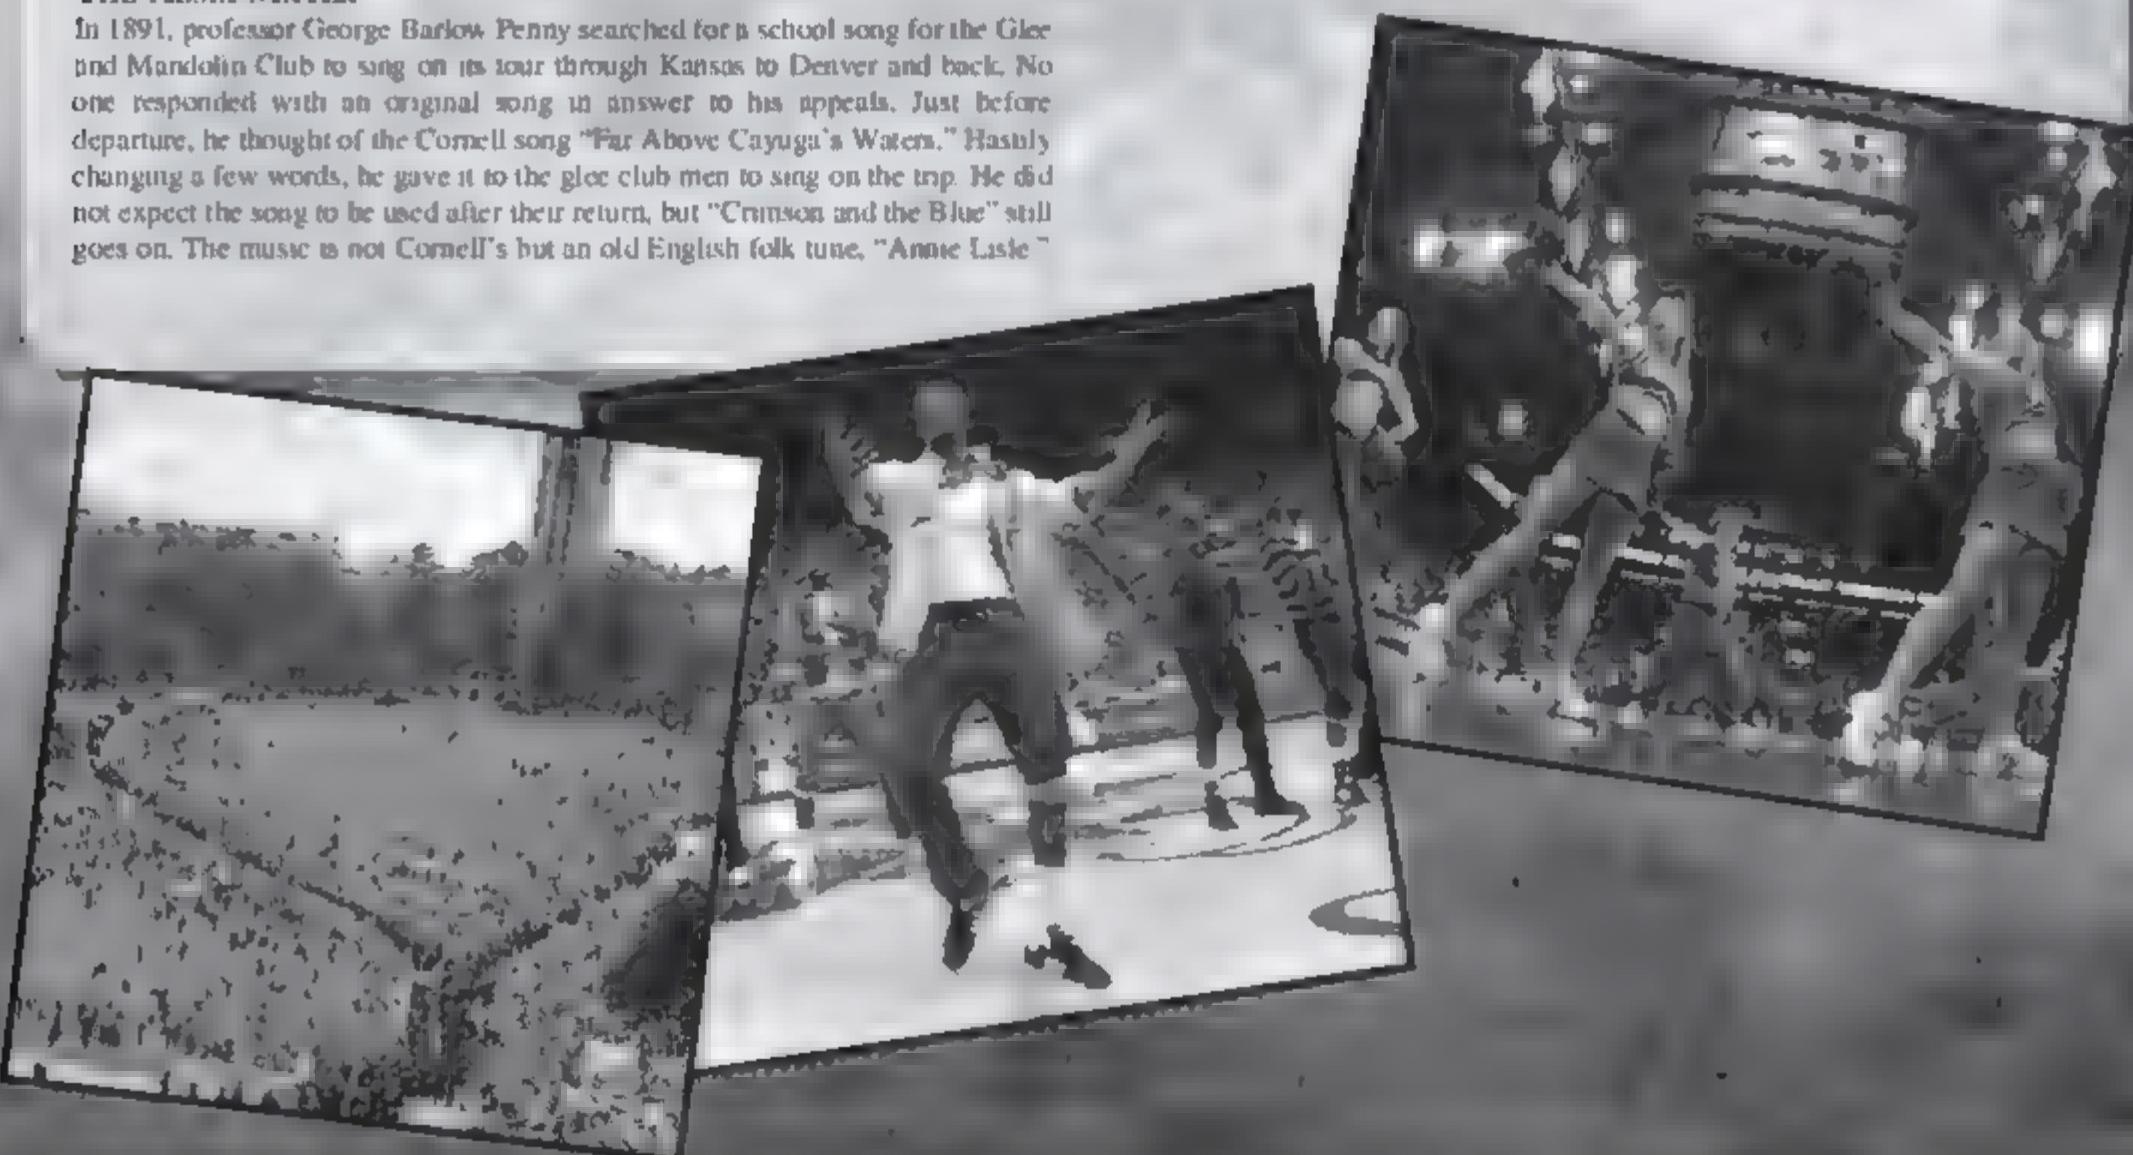

During the Civil War a regiment raised by Kansas Governor Charles Robinson called itself the "Independent Mounted Jayhawks" (later officially the First Kansas Cavalry and then the Seventh Kansas Regiment). By the end of the Civil War the word Jayhawk was associated with the spirit of camaraderie and the courageous fighting qualities that characterized efforts to keep Kansas a free state.

By 1886, the University of Kansas had adopted the mythical bird as part of the KU yell. When the university's football team first took the field in 1890, it seemed only natural that they should be called Jayhawkers. Few colleges and universities have such a meaningful symbol, one so deeply associated with the struggles of the people who founded them.

THE FIGHT SONG

George "Dumpy" Bowles, a student with the class of 1912, longed to make a great contribution to the KU spirit, but wasn't athletic enough to do historic deeds on the athletic field. He turned to music and produced some outstanding student musical shows.

A song in one of these shows was "I'm a Jayhawk." Written in 1912, it was dominant until 1920 when a growth in school spirit brought out "I'm a Jayhawk" once more. The song contributed to the raising of funds to build both the KU football stadium and student union as World War I memorials. The 1926 glee club made it known nationally.

BILL SELF

Head Coach • Oklahoma State (1985)

Ninth Season at Kansas (237-46)

19th Season Overall (444-151)

In eight seasons at Kansas, Bill Self is 237-46 (.837 percent). Overall, Self has coached 18 seasons with a 444-151 (.746 percent) record. He was named just the eighth head coach in Kansas basketball history on April 21, 2003.

In Self's eight seasons as head coach at KU, he has won one national championship, seven-straight regular-season Big 12 titles and five league tournament championships. In his first trip to the Final Four in 2008, Self's team won the title.

A four-time conference coach of the year, including three times while at Kansas (2006, 2009 and 2011), Self has guided his teams to 13-straight 23-win seasons dating back to 1998-99. Self has won 11 league crowns in the last 13 years. The other two seasons resulted in runner-up conference finishes.

The 2008 Winged Foot Award recipient for winning the national title, Self is a four-time finalist for the Naismith Coach of the Year Award (2000, 2001, 2002 and 2003), and *Sporting News* named him National Coach of the Year in 2000 and 2009. In addition, Self is one of four coaches in NCAA Division I history to have led three different teams - Tulsa, Illinois and Kansas - to the NCAA Elite Eight, including KU four times (2004-07-08-11).

A member of the USA Basketball Competition Committee and board member for the National Association of Basketball Coaches, Self has

coached four league player(s) of the year and 45 all-conference performers.

In 2010-11, Kansas lost three players to the NBA yet did not miss a beat as the Jayhawks, picked second in the Big 12 preseason poll, went 14-2 in conference play, capturing a school-record seventh-straight Big 12 regular-season title. For his efforts, Self was named the 2011 Big 12 Coach of the Year. Additionally, Kansas entered the NCAA Tournament as a No. 1 seed and advanced to the Elite Eight. KU was ranked in the top four nationally in all but three polls during the 2010-11 season, including No. 1 on Feb. 14. With a 35-3 overall record, KU won 30 games for the second straight season and fourth time in the last five years.

In 2009-10, Kansas entered the year ranked No. 1 in the national polls and held that ranking for all but three polls throughout the season. In the RPI's highest-rated conference in the nation, KU won its sixth-straight Big 12 regular-season title with a 15-1 record. Kansas, which finished 33-3, entered the 2010 NCAA Tournament as the overall No. 1 seed.

In 2008-09, Self was named national coach of the year by eight different organizations, including four listed in the NCAA record book - Associated Press, CBS/Chevrolet, *Sporting News* and USBWA. The 2009 Big 12 Coach of the Year, Self was also selected as the winner of national coach of the year honors by Yahoo! Sports, *Athlon Sports*, CBSSports.com and

ESPN.com. In 2008-09, Kansas lost six of its top seven scorers, including all five starters and returned less than 20 percent of all but one statistical category. KU went on to win the 2009 Big 12 regular-season championship, its fifth straight, going 14-2. The Jayhawks went 27-8 overall in 2008-09 and advanced to the NCAA Tournament Sweet 16 as a No. 3 seed.

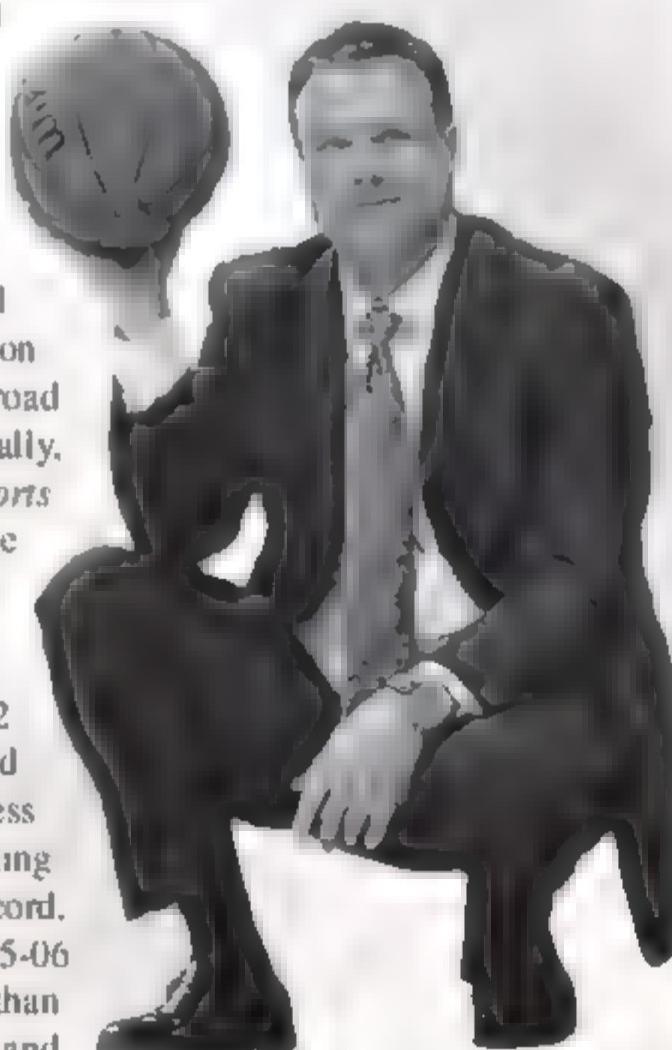

Nominated for two ESPY Awards for best team and best game, the 2007-08 Kansas team was one of the greatest in school history. Ranked seventh or higher all season, KU won a school-record 37 games in taking home the school's fifth overall and third NCAA national championship. Kansas claimed the Big 12 regular-season championship and third consecutive Big 12 tourney title. Additionally, a school-record five Jayhawks were chosen in the 2008 NBA Draft. The 2006-07 season was not only historic for Kansas basketball but also in the career of Self. As KU won its 50th league title and 1,900th all-time victory, Self won his 300th career game with a road victory at Missouri. Additionally, KU was preseason No. 1 by *Sports Illustrated* and was ranked in the Associated Press Top 10 for most of the season.

Self was named the 2006 Big 12 Coach of the Year and finished fourth in the Associated Press national coach of the year voting after guiding Kansas to a 25-8 record. The Jayhawks entered the 2005-06 season unranked and with less than 15 percent returning scoring and rebounding, yet Self orchestrated KU to a 15-2 record in its last 17 games, including a Big 12 Tournament championship to go along with its league's regular-season title.

In 2004-05, Kansas not only won a share of the Big 12 regular-season championship, but also opened the season ranked No. 1 nationally in the Associated Press and ESPN/USA Today Coaches' polls. KU was ranked in the top 10 for all but the final poll of 2004-05.

In his inaugural season at Kansas - 2003-04 - Self guided the Jayhawks to 24 wins and the NCAA Tournament Elite Eight. He tied former KU head coach Dick Harp for the most wins by a first-year KU coach, and only Harp's 1956-57 team - which advanced to the NCAA title game - went further under a first-year coach than Self's Elite Eight squad.

Self came to KU from the University of Illinois, where he guided the Fighting Illini to a 78-24 record over three seasons, including two Big Ten regular-season championships, a Big Ten Tournament title and three-straight NCAA tourney appearances. In Self's first season in Champaign, the Illini advanced to the NCAA Tournament Elite Eight.

Note - Oral Roberts was independent during Self's tenure so all games played at ORU were non-conference.

Prior to his stint at Illinois, Self coached at Tulsa from 1998 to 2000, where he led the Golden Hurricane to a record of 74-27 in three seasons, including trips to the NCAA Tournament in 1999 and 2000. Tulsa went 32-5 in 2000, setting a school single-season record for victories and made the NCAA Elite Eight.

Self began his head coaching career at Oral Roberts, where he resurrected the program. Before Self took over the reins, ORU had compiled the worst record in the program's history with a 5-22 mark in 1992-93. Although Self's first ORU team managed just six victories in 1993-94, the win total increased to 10 the following year. In his third season at the helm, Self guided ORU to an 18-9 record. In 1996-97, ORU registered a 21-7 mark and made the school's first postseason tournament appearance since 1983-84, receiving an invitation to the NIT.

Prior to his appointment at ORU, Self spent seven seasons as an assistant coach at Oklahoma State University. He originally joined the Cowboys' staff for the 1986-87 season and spent the next four years working under then-OSU head coach Leonard Hamilton. In the three seasons prior to his arrival at ORU, Self served as an assistant on Eddie Sutton's staff at OSU.

Before OSU, Self spent the 1985-86 season on Larry Brown's coaching staff at Kansas. While Self was at KU, the Jayhawks went 35-4 and advanced to the Final Four in Dallas.

The Self Family - Bill, Cindy, Lauren and Tyler

A native of Edmond, Okla., Self competed in basketball at Oklahoma State where he was a four-year letterwinner from 1982 to 1985. He received his bachelor's degree in business in 1985 and a master's degree in athletic administration in 1989, both from OSU.

He and his wife, Cindy, have two children: daughter, Lauren, a junior at KU, and son, Tyler.

JOE DOOLEY

Assistant Coach • George Washington (1988) Ninth Season at Kansas

Joe Dooley is in his ninth season on the University of Kansas men's basketball staff. Since his arrival at KU, Dooley has been part of one NCAA national title, four NCAA Elite Eight appearances, five NCAA Sweet 16s, seven Big 12 regular-season conference titles and five Big 12 tournament championships.

Dooley has been rated among the nation's elite recruiters, including No. 1 by Foxsports.com in summer 2010. Since his arrival at KU, 12 Jayhawks have been drafted in the NBA, including a record-tying five in the 2008 draft and four NBA lottery picks in the last two years.

In 2007, he was rated the fourth-best recruiter in the nation by Rivals.com for the class that included McDonald's All-American Cole Aldrich and Tyrel Reed. He also brought in KU NBA draftees Sasha Kaun and Mario Chalmers.

Dooley came to Lawrence from Laramie, Wyo., where he served one season as an assistant coach for the Cowboys, helping the team to a 21-11 record and a berth in the postseason NIT. While at Wyoming, Dooley had the opportunity to coach in Allen Fieldhouse, as the Jayhawks defeated the Cowboys, 98-70, on Jun. 15, 2003.

Prior to Wyoming, Dooley served on the coaching staff at New Mexico from 1999-2002. He served as the primary recruiter for the Lobos, and also was involved in scouting and scheduling. Dooley's other responsibilities included development of alumni relations, daily practice sessions, game preparation and individual instruction of players.

Before joining the University of New Mexico basketball program, Dooley was the head coach at East Carolina University in Greenville, N.C., for four seasons from 1995-96 through 1998-99. While at East Carolina, Dooley led the Pirates to a 57-52 record. In his first season, ECU posted a 17-11 record, making Dooley the winningest first-year head coach at East Carolina in more than 20 years. The following season, Dooley led the Pirates to a 17-10 mark. Among his biggest

wins as a head coach was a 22-point victory at South Carolina on Dec. 19, 1998.

Before assuming the head coaching duties at ECU, Dooley served as an assistant coach there for four seasons from 1991-92 through the 1994-95 campaign. He helped guide the Pirates to the 1993 NCAA Tournament -- their first appearance in 21 seasons.

His first college coaching position was at South Carolina, where he coached three seasons (1988-89 through 1990-91).

Dooley is a 1988 graduate of George Washington University in Washington, D.C., where he completed his bachelor's degree in speech communications. A four-year letterwinner in basketball at George Washington, he started his last two seasons and was elected a team captain as a senior.

A native of West Orange, N.J., Dooley was an outstanding prep player at St. Benedict's High School in New Jersey where he set a school record with 1,140 career points. He and his wife, Tanya, have a son, Max.

From 2003 until he was named assistant coach, Manning served as the Director of Student-Athlete Development/Team Manager at KU. In that position, Manning was the team travel coordinator, oversaw equipment ordering and distribution and organized and assisted in the youth holiday clinic and summer camp program. A Jayhawk legend, Manning is Kansas' all-time leading scorer (2,951 points) and rebounder (1,187 rebounds) in his illustrious four-year career. Manning, the ninth all-time leading scorer in NCAA history, was named a Consensus All-America selection in 1987 and 1988, the consensus College Player of the Year in 1988 and a three-time Big Eight Conference Player of the Year (1986, 1987 and 1988).

BARRY D. HINSON

Director, Basketball Operations • Oklahoma State (1983) Fourth Season at Kansas

Barry D. Hinson is in his fourth season with Kansas men's basketball and his second as the director of basketball operations. He came to Bill Self's KU staff as the director of external relations in 2008-09. Previously, Hinson was the head coach at Missouri State for nine seasons. While at Missouri State, Hinson guided the Bears to eight winning seasons, with four postseason NIT teams. He also had three of the 10 best RPI ratings ever to not make the NCAA Tournament, including being left out in 2006 with a 21 RPI.

Hinson was the last coach at Missouri State to coach the team when it was known as Southwest Missouri State before it became Missouri State. Hinson finished as the fourth-winningest basketball coach in school history with a 169-117 record for an almost 60 percent winning percentage.

Hinson's Bears racked up three 20-victory seasons, went to the finals of the Missouri Valley Conference Tournament three times, made the postseason four times and had eight winning campaigns and seven MVC first-place division regular-season finishes.

Most impressive on Hinson's resume is that 23 of the 26 players who completed their eligibility as seniors for the Bears with Hinson, received undergraduate degrees from Missouri State. Thirteen of Hinson's pupils went on to play

professional basketball in the NBA or overseas. The most recent to join the latter group is Blake Ahearn, a 2007 graduate who finished his Missouri State career as the all-time NCAA Division I record holder in both single season and career free throw percentage.

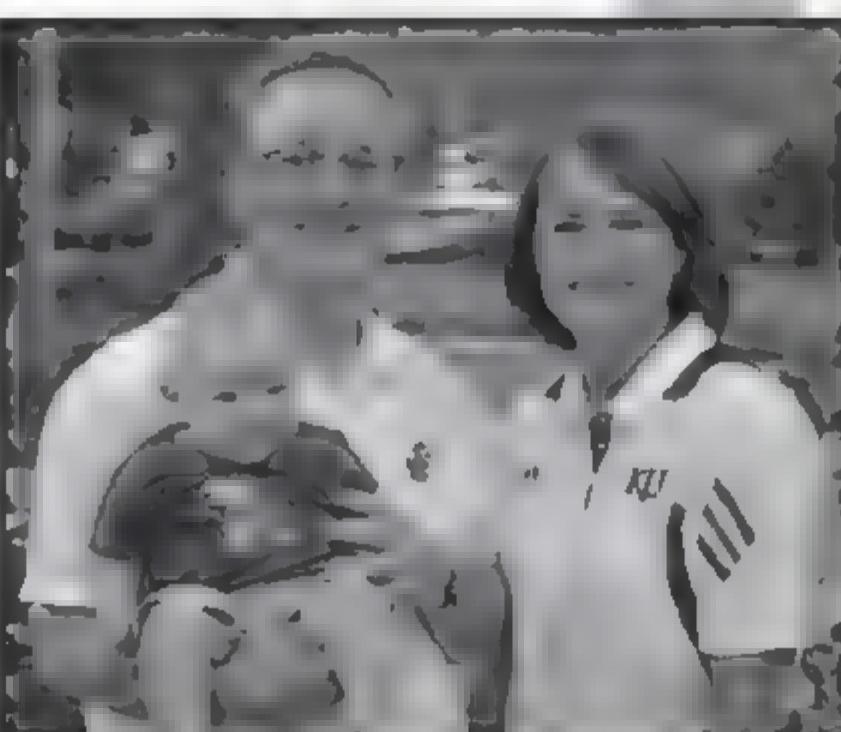

Hinson's 2005-06 team posted a 22-9 record and had the 21st-best RPI in the nation at the end of the season. Missouri State beat Stanford and Houston in the first two rounds of the NIT before losing at Louisville in the quarterfinals of the event.

Hinson, a native of Marlow, Okla., made MSU his first coaching venture outside his home state after having held six coaching positions in the Sooner state since his 1983 graduation from Oklahoma State University with a degree in secondary social sciences.

Hinson was promoted to head coach at Oral Roberts in 1997 after spending four years as an assistant coach to current Kansas head coach Bill Self. Hinson had records of 19-12 and 17-11 in his two years as ORU's head coach and tied for two Mid-Continent Conference regular-season titles.

Prior to ORU, Hinson spent eight years as a high school coach, including six seasons as head coach at Tulsa Bishop Kelley. He spent a year each as an assistant at Stillwater High School and Edmond Memorial High School and three seasons as head coach at Stillwater Junior High.

A highly regarded public speaker, Hinson and his wife, Angie, have two daughters and one grandson. Tiffany was married in 2004 to Niles Thomason and the couple lives in Vail, Colo. They have one son, Carter, born on Valentine's Day 2011. Ashley is a 2006 graduate of Missouri State and lives in Springfield, Mo. Hinson has been featured in the media numerous times for his barbecuing excellence.

2003 as an Associate Athletics Director and also served as Interim Athletics Director from September 2010 until February 2011.

In July 2011, Lester was named Senior Associate Athletics Director.

During his time at Kansas, Lester has placed a significant emphasis on revenue generation, budget management, fund-raising and capital projects. He has been instrumental in all facets of Kansas Athletics' expansion of facilities, such as: baseball's clubhouse/locker room facility as well as updated Hoglund Ballpark,

Lester oversees the Jayhawk men's basketball, baseball and soccer programs. Lester came to KU from the University of Connecticut, where he spent eight years as a senior administrator. In his role at UConn, Lester worked with several areas, running the day-to-day internal operations and was the tournament director for a number of men's and women's NCAA Championships. He also negotiated marketing contracts and helped to successfully re-shape internal operations.

Lester received a master's degree in education in 1995 with a concentration in

sport administration from the University of Connecticut. He holds a bachelor's degree in English from Eastern Connecticut State University. He was also awarded a certificate of completion in 2003 from the Sports Management Institute, Consortium of the Universities of North Carolina and Southern California.

A native of Mansfield, Conn., Lester resides in Lawrence with his wife, Christine and sons, Mason and Owen.

DR. SHEAHON ZINGER

Dr. Sheahon (SHAY-un) Zenger is a coach at heart. But when KU Chancellor Bernadette Gray-Little introduced the Hays, Kan., native as KU's Athletics Director Jan. 3, 2011, he promised not to call any plays for the coaches. That doesn't mean, though, that he won't be right there with them - and their student-athletes - every step of the way. For it's his genuine care for coaches and student-athletes that has stamped his career in intercollegiate athletics.

Zenger comes to KU after serving for five years as athletics director at Illinois State University, helping steer ISU Athletics to a place of prominence in the Missouri Valley Conference. The Redbirds won a conference-leading seven league titles during the 2009-10 season and captured their second Valley All Sports Trophy in three years.

ISU's Weisbecker Scholarship Fund membership grew 65 percent during his tenure, and capital projects boomed. The Illinois State Baseball Stadium at Duffy Bass Field was officially dedicated in May 2009 to culminate the completion of that \$3.5 million project. In addition, funding for the Redbird Arena locker room improvements has also been secured.

With experience as an educator, coach, fundraiser and administrator, Zenger brought a plan to Illinois State, and with the help of the head coaches and administrative staff, personalized that strategic plan for Redbird Athletics. As a result, the athletics department saw record-high grade-point averages (GPA) in each of the last four years, including a best-ever department-wide 3.13 GPA in fall 2009. Redbird student-athletes now regularly carry a GPA of 3.0 or better. ISU student-athletes have also contributed more than 2,000 hours of community service in each of the last five years, including 3,500 hours during the 2009-10 athletic season.

In addition to Valley All-Sports titles in 2008 and 2010, in his last three years at ISU Zenger led the department to 16 top-five finishes in its 17 Valley sports - the highest percentage of top-five finishers in league history.

Zenger secured a five-year apparel contract for Redbird Athletics, and significantly increased the marketing of the program in the Central Illinois region, most notably with a campaign centered on the award-winning marketing campaign "Spread the Red." He also witnessed record-setting attendance figures in football, men's basketball and women's basketball, while seeing 17 Redbird teams advance to postseason play.

At the beginning, Zenger wasn't headed toward a career in administration. He was nine years old when he told his father he wanted to be a coach, and it didn't take long for that dream to materialize. After playing football at Fort Hays State and Mid-American Nazarene College, he finished his undergraduate degree at Kansas State. Even before he received his bachelor's degree in English and secondary education in 1988, Zenger was assisting the football coaches at Manhattan (Kan.) High School. His first college football coaching job came at Drake University right after graduation.

In 1989, at age 23, Zenger joined Bill Snyder's staff at Kansas State as one of the nation's youngest full-time football staff members; he served in key roles as assistant recruiting coordinator and director of football operations. Zenger completed his master's degree in journalism and mass communication in 1992 while helping Snyder bring Wildcat football to unprecedented success.

It became evident, though, that more than coaching was in store for Zenger. He sought advice from then-KU Chancellor Gene Budig, who convinced him to pursue a Ph.D. at KU. As he completed his Ph.D. in educational policy and leadership (1996), Zenger contributed communications and special projects support to the office of the executive vice-chancellor, Ed Meyen, and wrote the professional life history of then-chancellor Del Shankel, while strengthening his understanding of university leadership at the highest levels.

While focusing his attention on academics, he managed to stay involved in the world of intercollegiate athletics, and specifically football. "Involved" may be an understatement. In 1993 Zenger and a friend founded American Football Quarterly, a magazine for coaches. Zenger served as publisher - and then editor - until 1995 when he sold his share of the by-then-thriving magazine.

Still, coaching stayed in his blood. After earning his doctorate, Zenger in 1996 signed on as the recruiting coordinator for the brand-new NCAA Division I football program at the University of South Florida. A year later he joined the University of Wyoming football staff as recruiting coordinator and within two

Zenger stayed at Wyoming through the 2000 season before returning to Kansas State. He spent a year in the KSU College of Business, raising more than \$2 million and restructuring its development program with research and planning. He rejoined KSU Athletics in 2001 as assistant athletics director for major gifts, helping KSU initiate important development strategies. In 2002 he was appointed KSU's associate athletics director for development, a position he held until 2005, when he was named Athletics Director at Illinois State.

A published author and researcher, Zenger served for three years on the NCAA Division I Committee on Student-Athlete Reinstatement. He also served on two NCAA Division I Football Championship Subdivision (FCS) Division committees, and was a member of the Executive Committee of NACDA's Division I FCS Athletic Directors Association.

BERNADETTE GRAY-LITTLE

University Chancellor Third Year at Kansas

A highly regarded scholar, teacher and university leader, Bernadette Gray Little began her tenure as the 17th chancellor of the University of Kansas on Aug. 15, 2009. As KU chancellor, Gray-Little is the chief executive officer of the university, overseeing campuses in Lawrence, Kansas City, Overland Park and Wichita as well as research and educational centers in Garden City, Hays, Parsons, Pittsburg, Topeka and Yoder.

Chancellor Gray-Little's goals for KU include enhancing student achievement so that more KU students graduate in four years, as well as spurring more research and scholarly activities that enhance quality of life and create economic growth. During her first year as chancellor she also made it a point to meet with Kansans and with KU alumni throughout the state and nation to learn about their aspirations for the university.

Gray-Little was one of four university leaders selected to represent the Association of Public and Land-grant Universities at a White House summit on math and science education in January 2010. She is also on the board of trustees for the Online Computer Library Center, an international organization dedicated to expanding public access to information and research.

Gray-Little previously was executive vice chancellor and provost at the University of North Carolina at Chapel Hill from 2006-09. A professor of psychology, she rose to the post of UNC's chief academic officer after successive administrative appointments, including dean of the College of Arts and Sciences.

While at UNC, she earned a reputation as a champion for the highest quality educational experience for students and a strong advocate for faculty and for research.

A native of eastern North Carolina, Gray-Little received her bachelor's degree from Marywood College in Scranton, Pa., and her master's and doctoral degrees in psychology from Saint Louis University. She earned a Fulbright Fellowship to study in Denmark. She also served as a Social Science Research Council Fellow and received a Ford Foundation Senior Scholar Fellowship through the National Research Council.

Gray-Little is married to Shade Keys Little, who was assistant dean for academic support services at UNC. They have two adult children and one grandchild.

COMPLIANCE

Compliance 101:
Understanding the
"Rules of the Game"

With the continued success of Kansas Athletics, the Compliance Office wants you to understand how you can help KU coaches and student-athletes. Institutional control of athletics is a fundamental requirement of NCAA legislation. Specifically, the NCAA constitution provides that each institution shall be responsible for:

- Controlling its intercollegiate athletics program in compliance with the rules and regulations of the NCAA
- Monitoring its program to ensure compliance with identifying and reporting to the NCAA instances in which compliance has not been achieved and taking appropriate corrective action
- Ensuring that members of the institution's staff, student-athletes and other individuals or groups representing the institution's athletics interests comply with all applicable NCAA rules.

Under NCAA rules, KU is responsible for all actions of its boosters. Therefore, it is also our responsibility to make you aware of consequences for violating the rules pertaining to permissible booster activity. Boosters found in violation are subject to losing benefits and privileges, including season tickets. In addition, the NCAA Committee on Infractions has required institutions to disassociate boosters who have violated NCAA rules and regulations from the institution.

Compliance Terminology

- **BOOSTERS.** You are a representative of KU's athletics interests, more commonly known as a "booster," if you meet any of the following conditions:
 - You are a member of any organization that promotes KU's athletics program (e.g., Williams Educational Fund)
 - You have made a financial contribution to the KU athletics department or its booster organization.
 - You have assisted in the recruitment of prospective student-athletes for KU
 - You have provided benefits (e.g., summer jobs or occasional family meals) to enrolled student-athletes;
 - You are the parent(s) or legal guardian(s) of an enrolled student-athlete; or
 - You have, in any way, promoted the athletics program at KU

Please remember: Once an individual has been identified as a booster, he or she retains this identity indefinitely. Even if you are not a booster as defined by the NCAA, know that your actions involving student-athletes can cause violations of NCAA rules. Something as simple as buying a student-athlete lunch at a fast food restaurant is, most likely, a NCAA violation. Please contact the Compliance Office with your questions regarding impermissible recruiting inducements and extra benefits.

For Specific NCAA Rule Interpretations, please contact
the Compliance Office:

Kansas Athletics Compliance Office
1651 Naismith Drive
Lawrence, KS 66045

PHONE: (785) 864-4200
FAX: (785) 864-5289

EMAIL: compliance@jayhawk.ku.edu

• **PROSPECTS.** A prospective student-athlete, commonly known as a "prospect" or "recruit," is any individual who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade becomes a prospect if the institution contacts the student for recruiting purposes or provides the student (or the student's relatives or friends) any financial assistance or other benefits that the institution does not generally provide to all prospective students. In addition, student-athletes enrolled in preparatory schools or two-year colleges are considered prospective student-athletes.

Please remember: A prospect remains a prospect even after he or she signs a National Letter of Intent or financial aid agreement to attend KU. The prospect does not lose this status until the start of classes at the university or until the beginning of official practice prior to the start of classes, whichever occurs first. After classes or official practice begins, the prospective student-athlete then simply becomes a student-athlete.

Contact. A contact is a face-to-face encounter between a prospect or the prospect's parent, relative or legal guardian and institutional staff member or athletics representative during which dialogue occurs in excess of an exchange of a greeting. However, any such face-to-face encounter on the KU campus or during a KU event that is prearranged, or takes place on the grounds of the prospect's educational institution or at the site of an organized competition or practice involving the prospect or the prospect's high school, preparatory school, two-year college or all-star team, shall be considered a contact, regardless of the content of the conversation that occurs.

Recruiting. Once a person enters the ninth grade they become a prospect for NCAA purposes. A prospect remains a prospect until initial enrollment at the University of Kansas, even if the prospect has signed a National Letter of Intent. Any contact by you or any other booster, alumnus or other representative of Kansas Athletics' interests for the purpose of recruitment is strictly and clearly prohibited.

It is not permissible for any member of Kansas Athletics' staff, alumnus or booster to contact a student-athlete at another institution for the purpose of recruitment. A student-athlete who is attending another institution must receive written permission from their institution before they can have contact with the University of Kansas.

If you know of a high school student-athlete who may want to attend KU, we encourage you to call the appropriate coach. Contacting a KU coach is the only permissible recruiting activity in which boosters may participate.

Employment. It is permissible for an athletics representative or alumnus/alumna to contact a prospect regarding summer employment prior to initial enrollment provided the prospect has signed a National Letter of Intent. However, no contact may be made without approval from the Compliance Office. In addition, the employment arrangement for the prospect may not begin until the prospect has graduated from high school. If the prospect is attending a two-year institution, the employment may not begin prior to the time that the prospect has officially withdrawn from or has completed the requirements for graduation at the two-year college.

Extra Benefits. It is not permissible to provide any type of assistance to a prospect — financial or otherwise. A representative of Kansas Athletics' interests or a "booster" may not provide ANYTHING to a prospect, their friends or family, even if the prospect has a signed National Letter of Intent or a Financial Aid Agreement.

STUDENT-ATHLETE. A student-athlete is any University of Kansas student who is a member of a varsity athletics team.

Extra Benefits. An extra benefit is any special arrangement by an institutional employee or booster to provide a student-athlete or his/her relatives or friends with a benefit not expressly authorized by the NCAA legislation. It is a violation of the NCAA rules to provide an extra benefit to a student-athlete.

Occasional Meal. You may provide a student-athlete or a team with an occasional meal at your home. This meal can be catered and you may provide the student-athletes with transportation to attend the meal. All occasional meals must be pre-approved by the compliance office.

Together, the University of Kansas and YOU will make this program a success. These reminders will help guide you and ensure that Kansas Athletics operates within the rules and regulations of the NCAA as we continue toward our ultimate goal of academic and athletics excellence. If in doubt, remember that in most cases any contact with or benefits given to a prospect or an enrolled student-athlete or their family or friends is strictly prohibited.

Allen Fieldhouse...The Loudest Arena in the Country

ESPN The Magazine named Allen Fieldhouse the loudest arena in the country in its Nov. 15, 2010 issue. The publication first polled numerous ESPN experts and created a top 10 list of "most boisterous arenas." It then turned to the Penn State University acoustic program which did research with each university's facility department. From the article -- PSU's team perused construction data provided by the schools and contractors, then assumed the following to create their models: 1) a capacity crowd of yelling spectators; 2) student fans yelling twice as loudly as others; 3) fan bodies absorbing sound equally at all venues. The story describes Allen Fieldhouse as "the perfect combo of dimension, students-to-court proximity and low-absorption materials." KU was one of three Big 12 schools in the top 10 with Kansas State's Bramlage Coliseum coming in at No. 7 and Oklahoma State's Gallagher-Iba Arena at No. 9.

KU Alum Purchases Original Rules

KU alumnus David Booth and his wife Suzanne purchased the original rules of basketball at auction on Dec. 10 for \$3.8 million. The buyer's premium brought the final price to more than \$4.3 million. The game's inventor and KU's first basketball coach, James Naismith, tacked the rules to a YMCA wall in December 1891. The auction, conducted by Sotheby's, was authorized by Ian (pronounced Yawn) Naismith, James Naismith's grandson, who had retained possession of the rules for several years. Ian Naismith told Kansas Athletics that the proceeds from the auction would go to the Naismith International Basketball Foundation, which promotes sportsmanship and provides services to in-need youth. Booth has reported that he would like the rules to stay in Lawrence.

HISTORY

KANSAS BASKETBALL TIMELINE

Dr. James Naismith, the inventor of basketball and KU's first coach, is buried in Lawrence.

Dr. James Naismith Era:

1898:

Dr. James Naismith, the game's inventor, took the helm as the first basketball coach in Kansas history. Recommended by Alonzo Stagg, Naismith accepted the job for \$1,300 per year.

1906:

When one of Naismith's players, Forrest "Phog" Allen, asked him about the coaching profession, Naismith said "You can't coach basketball Forrest, you play it." Allen went on to coach at KU for 39 seasons.

W.O. Hamilton Era:

1910:

W.O. Hamilton took over as Kansas' headcoach, bridging the gap between Phog Allen's two tenures at KU. Hamilton coached 10 successful seasons, including a near-perfect 18-1 season in 1909-10.

1914:

Behind the high-scoring antics of Ralph "Lefty" Sproull, Kansas bolted to a 17-1 record, including a 13-1 mark in the Missouri Valley Conference and a share of the league crown.

Dr. Forrest "Phog" Allen Era:

1908:

Phog Allen replaced Naismith as KU's head coach at the age of 22. He immediately led Kansas to the Missouri Valley Conference title — the first of 54 conference crowns KU has won to date.

1920:

For one game — the season opener Karl Schlademan was KU's head coach. But Schlademan resigned after the game to concentrate on his duties as track coach, allowing Phog Allen to return as coach.

1922-1923:

Seventeen years before the first NCAA Tournament, Kansas was awarded its first national crown by the Henn Foundation. Phog Allen's team finished with a 16-2 mark. In 1923 the Henn Foundation again awarded its national title to KU, which went 16-0 in the Missouri Valley Conference and 17-1 overall. The team included greats Charlie T. Black, Tus Ackerman and Paul Endacott.

1934:

Phog Allen's team capped another remarkable run, winning the Big Six Conference title for the fourth-consecutive season

and posting a 16-1 record. Sophomore Ray Ebling (12.8 ppg.) led KU in scoring.

1936:

Thanks in part to the work of Phog Allen, the FIBA organized the first Olympic basketball tournament in the 1936 Summer Olympics at Berlin as an outdoor tournament. Dr. Naismith presented the medals to the top three teams. In keeping up with the Olympic tradition, all of the competitors were amateurs, and FIBA introduced the indoor game in the 1948 Summer Olympics.

1938:

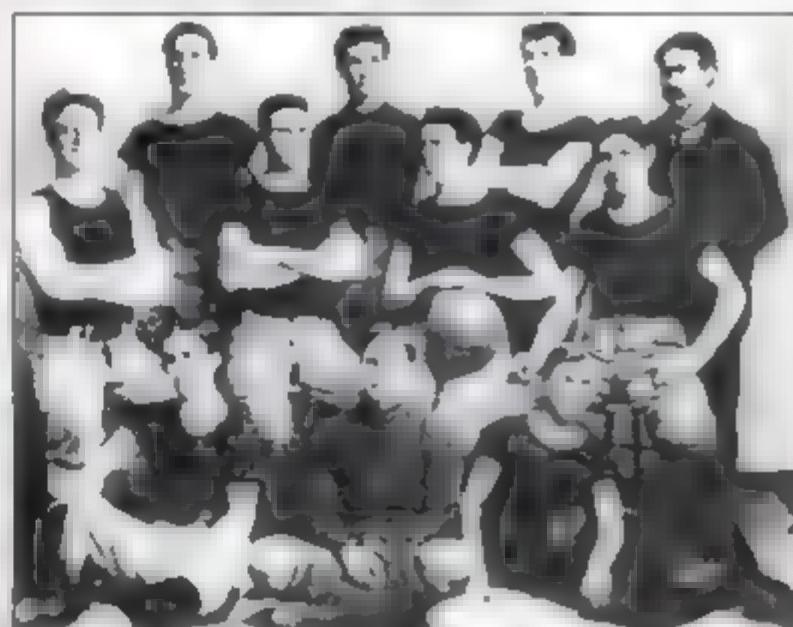

Fred Pralle became KU's first consensus All-American, leading the Big Six in scoring and the Jayhawks to an 18-2 record.

1940:

Phog Allen convinced the NCAA to hold its second national championship in Kansas City. Allen's team battled all the way to the title game, where it lost to Indiana, 60-52. The Jayhawks finished with a 19-6 record.

Dick Harp played at KU from 1938-40 and later replaced Phog Allen as Kansas' head coach.

Kansas' first basketball team (1898-99).

1941:

Howard Engleman averaged 16.5 points per game and became the second KU player to earn consensus All-America first-team honors. KU finished 12-6 and shared the Big Six title. In 1947, Engleman filled in as KU's interim head coach.

1943:

The Jayhawks 22-6 team in 1942-43 was led by consensus first team All-American Charlie B. Black and Ray Evans, one of KU's greatest two-sport athletes. The Jayhawks won the Big Six Conference crown for the fourth straight year.

1946:

All-American Charlie B. Black and all-conference performer Otto Schnellbacher formed a great one-two punch in leading the Jayhawks to a 19-2 mark and a spot in the NCAA Tournament.

1947:

Coach Phog Allen was ordered to take a rest for health reasons after a January 7 game against

Missouri. Howard Engleman finished out the season as KU's head coach as Kansas finished with a 16-11 mark.

1952:

Led by senior All-American Clyde Lovellette, Kansas cruised to its first-ever NCAA national championship, defeating St. John's, 80-63, in the championship game. Coach Phog Allen built his team around Lovellette, the only player up to that point to lead the nation in scoring and win a NCAA crown in the same season. Lovellette was surrounded by talented role players such as Charlie Hoag, Bill Hoogland, Bob Kenney Bill Leonard, Dean Kelley, John Keller and others.

The NCAA Tournament title was the crowning jewel in Allen's illustrious coaching career.

1953:

B.H. Born and Kansas came within a point of winning back-to-back NCAA championships, losing to Indiana, 69-68, in the championship game. Born

was named the tournament's Most Outstanding Player despite the loss. KU finished undefeated at home, 19-6 overall.

Dick Harp Era:

1957: In a memorable NCAA Tournament final, Kansas fell to undefeated North Carolina in triple overtime, 54-53. The Jayhawks, coached by Dick Harp and led by All-American Wilt Chamberlain, finished 24-3, including a 12-0 record to begin the season.

1958: Wilt Chamberlain, hampered by injuries, still had many individual highlights including a school-record 36 rebounds against Iowa State. KU finished 18-5 and ranked in the top 10. The next year Chamberlain took his game to the pros with the Harlem Globetrotters.

1960:

Coach Dick Harp's team rebounded from an 11-14 season in 1959 to go 19-9 and advance to the second round of the NCAA Tournament. Bill Bridges, who had 30 rebounds against Northwestern, teamed with Wayne Hightower as two of KU's leaders.

1962:

In what many consider the "game of the decade," KU beat rival Kansas State in four overtimes at the Big Eight Holiday Classic in Kansas City. Reserve Jay Roberts' shot at the buzzer won the game. In April, former Jayhawk Wilt Chamberlain set an NBA record by scoring 100 points.

Ted Owens Era:

1966:

Jo Jo White was ruled out of bounds while making what

would have been the winning shot against eventual NCAA champion Texas Western in the regional final. KU finished 23-4 and won the Big Eight regular-season title.

1967:

Led by Rodger Bohnenstiehl and Jo Jo White, Kansas finished 23-4 and ranked third in the nation. The Jayhawks claimed the Big Eight Conference title and advanced to the second round of the NCAA Tournament.

1968:

Coach Ted Owens' team advanced all the way to the finals of the postseason NIT, where it lost to Dayton, 61-48, at Madison Square Garden. Behind junior All-American guard Jo Jo White, Kansas finished 22-8. Also in 1968, the Naismith Memorial Basketball Hall of Fame, named for Dr. James Naismith, opened in Springfield, Mass. The University of Kansas has 16 representatives in the Hall of Fame.

1969:

Kansas registered the 1,000th win in school history by beating Oklahoma State, 64-48, on Feb. 3, 1969. The Jayhawks finished the season at 20-7, earning a bid to the postseason NIT.

1971:

Led by the one-two scoring punch of Dave Robisch and Bud Stallworth, Kansas cruised to a 27-3 overall record, a perfect 14-0 mark in the Big Eight and a Final

In 1952, LaVannes Squires, a graduate of Wichita's East High School, became the first African-American to play at Kansas.

Four berth. Kansas lost to UCLA in the national semifinals at the Houston Astrodome.

1972:

One year after playing in the Final Four, Kansas struggled to an 11-15 mark. However, Bud Stallworth's 50 points against Missouri still ranks as the most points ever scored by a Jayhawk in a conference game.

1974:

Coach Ted Owens' team came from seven points back with 3:19 remaining to beat Oral Roberts on ORU's home court. The win sent Kansas to the Final Four for the second time in four seasons. The Jayhawks finished at 23-7, including a 13-1 mark in the Big Eight Conference.

Phog Allen stands in front of the Fieldhouse that bears his name. Allen Fieldhouse opened in 1955. Allen was able to coach just over one season in the Fieldhouse before he retired.

1978:

Freshman Darnell Valentine led the Jayhawks to a 13-1 mark in the Big Eight Conference and a 24-5 record overall. During the season, KU played Kentucky in Allen Fieldhouse on the day KU grad Adolph Rupp died.

1981:

Kansas won its first Big Eight Conference postseason tournament title by beating Kansas State, 80-68, in the championship game. Senior Darnell Valentine, an All-American, and junior Tony Guy led the Jayhawks to a 24-8 record and the NCAA Tournament Sweet 16.

Larry Brown Era:**1984:**

North Carolina graduate Larry Brown took over as the sixth head coach in Kansas history, replacing Ted Owens. Brown's first Jayhawk team won the Big Eight Tournament title and advanced to the second round of the NCAA Tournament finishing with a 22-10 record.

1985:

Danny Manning, KU's most heralded freshman since Wilt Chamberlain, made an immediate impact for the Jayhawks. Manning averaged 14.6 points per game and was the Big Eight Newcomer of the Year. Manning helped lead Kansas to a 26-8 season.

1986:

One of the most talented teams in KU history went 35-4 — setting a school record for wins — and played in the Final Four. An injury to Archie Marshall and Danny Manning's foul trouble contributed to a loss against Duke in the NCAA semifinals.

1988:

On the 50th anniversary of the first NCAA Tournament, National Player of the Year Danny Manning led Kansas past Oklahoma, 83-79, to win the NCAA championship in Kansas City, Mo. Considered a "bubble" team to get into the NCAA Tournament, KU put together a remarkable run,

highlighted by a win over rival Kansas State in the Midwest Regional final and a victory over Duke in the national semifinals. KU finished 27-11. Manning (24.8 points per game) led Kansas with help from players such as Milt Newton, Kevin Pritchard, Chris Piper and Jeff Guelphner. Manning would later be the first player selected in the NBA Draft.

Roy Williams Era:**1989:**

Roy Williams, facing a major rebuilding task as well as an impending NCAA probation, took over as the seventh coach in Kansas history. Williams guided the youth-laden team to a very respectable 19-12 mark. Williams was named the national rookie coach of the year for his efforts.

Danny Manning presented Ronald Reagan with a jacket at a White House ceremony honoring Kansas' 1988 National Championship team.

1990:

Unranked in the preseason polls, Kansas won its first 19 games, including consecutive wins over LSU, No. 1 UNLV and St. John's in the Preseason NIT. The Jayhawks bolted to the top of the national polls where they spent most of the season ranked No. 1 or No. 2. KU finished with a sterling 30-5 record, paced by senior guard Kevin Pritchard.

1996:

In the final year of the Big Eight Conference, Kansas rolled to its fifth league title in six years. Coach Roy Williams' team finished 29-5 and came within one game of advancing to the Final Four. Sophomore Raef LaFrentz paced a balanced attack.

1997:

One of KU's best teams ever, the 1996-97 squad went 34-2, won the first Big

12 Conference title and finished No. 1 in the AP poll. Roy Williams' senior-laden team included Jacque Vaughn, Scot Pollard and Jerod Haase. KU began the year by winning its first 22 games.

1998:

Led by two first team All-Americans — Raef LaFrentz and Paul Pierce — Kansas tied a school record for wins with its 35-4 mark. KU, which also won the Big 12 Tournament title for the second-straight season, ran its homecourt winning streak to a school-record 60 games.

2000:

On January 8, 2000, Kansas rolled into Boulder, Colo., and routed the Buffaloes

84-69 to pick up all-time victory number 1,700. The Jayhawks joined Kentucky and North Carolina as the only other schools to accomplish that feat. Kansas concluded the year 24-10.

2002:

Kansas enjoyed another one of its banner seasons, going 33-4 overall while becoming the first team in the history of the Big 12 Conference to go undefeated in conference play. The Jayhawks advanced to the Final Four for the 11th time in school history. KU ended the year by leading the nation in an unpressive four statistical categories. Junior Drew Gooden was named All-America First Team and the co-National Player of the Year.

2003:

In an unforgettable season, the Jayhawks went 30-8 overall on the way to the NCAA Championship game where they fell to Syracuse, 81-78. KU won its second-straight Big 12 Conference title and its 1,800th game all-time — a dramatic 78-75 win over Arizona in the NCAA Tournament to send the Jayhawks to their second-straight Final Four. Senior Nick Collison emerged as one of the nation's brightest talents, earning consensus First-Team All-America honors and being named the National Player of the Year by the National Association of Basketball Coaches. After the season, coach Roy Williams accepted an offer to return to his alma mater,

North Carolina, and a week later, KU introduced Bill Self as the eighth head coach in Kansas men's basketball history.

Bill Self Era:

2004:

In his first season as head coach, Bill Self tied former Jayhawk coach Dick Harp for most victories by a KU coach in his first season. KU finished 24-9 and made its third-straight appearance in the the NCAA Tournament Elite Eight. KU claimed its 15th-straight 20-win season and won at least 24 games for the fifth-consecutive season.

2005:

Kansas opened the season No. 1 in both the Associated Press and ESPN/USA Today Coaches' polls. It marked the first time KU had been No. 1 in the first AP poll since the 1956-57 season. The Jayhawks were No. 1 in the preseason coaches' poll in 1996-97. Kansas won its fifth Big 12 and 48th overall league regular-season championship and made its 16th-straight NCAA Tournament appearance.

2006:

Unranked in the preseason polls for the first time since 1990-91, Kansas claimed its 49th regular-season conference championship and eighth league tournament title with a team that included 10 freshmen and sophomores. Brandon Rush became the

first freshman in Big 12 history to earn All-Big 12 First Team honors. Bill Self was named the Big 12 Coach of the Year. KU finished the season 25-8 and ranked 12th by the Associated Press. The season also marked the final year of KU broadcasting legend Max Falkenstein, who concluded 60 years behind the mic for Kansas Athletics.

2007:

Kansas' 2006-07 men's basketball team etched its name into KU's rich tradition by capturing its third straight and 50th overall regular-season conference title. The team successfully defended its Big 12 Championship title and claimed the school's 1,900th all-time victory. KU entered the NCAA Tournament as a No. 1 seed and advanced to the Elite Eight of the event for the fourth time in the six previous years.

2008:

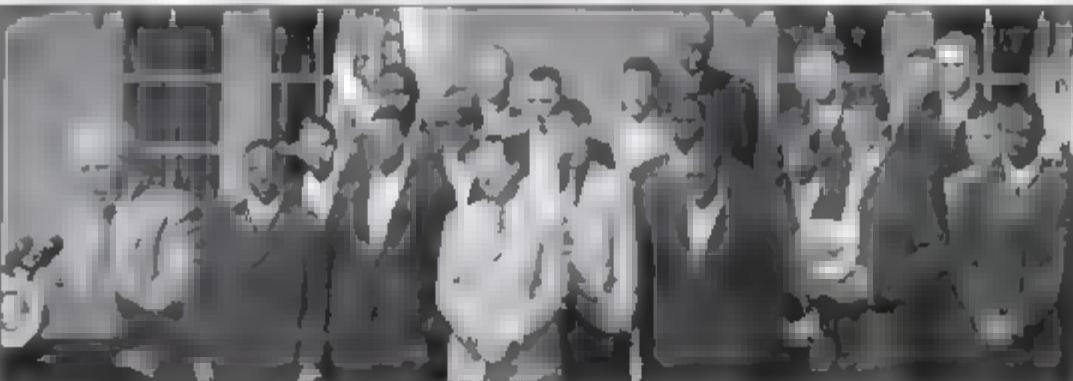

Kansas set a school record for most wins in a season with a 37-3 record after winning its first 20 games to open the season. The Jayhawks won their fourth-straight Big 12 Conference title and their third-straight Big 12 Championship title, entering the NCAA Tournament for the second-consecutive year as a No. 1 seed. Kansas appeared in the first-ever all No. 1 seed Final Four. On the 20th anniversary of "Danny and the Miracles," Kansas won its third NCAA championship and fifth overall national championship, beating Memphis 75-68 in OT in the title game.

Junior guard Mario Chalmers was named Final Four Most Outstanding Player. KU went on to have a record five players taken in the 2008 NBA Draft with Brandon Rush, Darrell Arthur, Mario Chalmers, Damell Jackson and Sasha Kaun.

2009:

Kansas won its fifth straight, ninth Big 12 and 52nd overall conference title. Returning less than 20 percent of all stars, KU went 27-8 and 14-2 in Big 12 play. Bill Self was named national coach of the year by eight different outlets and Big 12 Coach of the Year for the second time while at KU. Kansas advanced to the NCAA Sweet 16 for the third-straight season. Sophomore center Cole Aldrich recorded the first

official triple-double in school history with 13 points, 20 rebounds and 10 blocked shots against Dayton in the second round of the NCAA Tournament.

2010:

Kansas posted its third 30-win season in the last four years going 33-3. The Jayhawks entered the year No. 1 nationally and held the top spot for 15 weeks. KU won its sixth straight, 10th Big 12 and NCAA-leading 53rd conference titles going 15-1 in league play. KU entered the NCAA Tournament as the No. 1 overall seed. Individually, junior Cole Aldrich was named the ESPN *The Magazine*/Academic All-American of the Year and he crushed the KU single-season blocked shot record with 125. Senior Sherron Collins, a consensus All-America first-team selection, ended his career with 130 all-time victories, the most ever by a Jayhawk. Collins would end his career ranked in the top 10 of many KU statistical categories.

2011:

The 2010-11 Jayhawks went 35-3, matching their second-most victories in a single season. KU won its seventh-straight, 11th Big 12 and NCAA-leading 54th all-time conference regular-season title by going 14-2 in Big 12 play. Bill Self's squad also won their eighth Big 12 and 12th overall conference tourney title by defeating Oklahoma State, Colorado and Texas at the Sprint Center in Kansas City, Mo. Kansas entered the NCAA Tournament a No. 1 seed for the 10th time since seeding began in 1979. Junior forward Marcus Morris became the fifth Jayhawk to win Big 12 Player of the Year honors as he led the team in scoring with 17.2 ppg. Tyrel Reed became the 16th Jayhawk to be named Academic All-American.

1952 NCAA CHAMPIONS

Jayhawks Capture 1952 NCAA Crown Behind Lovellette's 33 points
Kansas 80, St. John's 63 • March 26, 1952 • Seattle, Wash.

SEATTLE, Wash. — Center Clyde Lovellette was nearly unstoppable, scoring 33 points and grabbing 17 boards, leading Kansas to its first NCAA crown, 80-63, over St. John's in the championship game.

Lovellette became the first player in NCAA history to lead the nation in scoring and win a NCAA title in the same season — a feat that has yet to be matched. Lovellette, who canned 12 field goals and nine free throws despite being double-and triple-teamed by the Redmen, was the easy selection for NCAA Tournament Most Outstanding Player honors.

Kansas never trailed in the game. Lovellette gave the Jayhawks an early 1-0 lead on a free throw and KU led 18-13 after one quarter.

The Jayhawks led 41-27 at halftime and were never threatened in the second half.

Bill Lienhard scored 12 points on five jumpers. He benefitted the most from the St. John's plan to defend Lovellette with multiple players.

Bob "Trigger" Kenney also added 12 points. Charlie Hoag, one of KU's great multi-sport athletes, chipped in nine points.

Dean Kelley added seven points and was a factor in the rebounding department.

Bill Hougland, plagued with an injured leg, contributed five points and six rebounds. John Keller came off the bench for two points and was credited for his defensive effort.

The 1951-52 Jayhawk roster included reserve guard Dean Smith, who went on to become the winningest coach in college basketball history at North Carolina.

The roster also included LaVanne

Squires, the first African-American to wear the Crimson and Blue.

Kansas finished the year with a 28-3 mark after opening the season with 13 consecutive victories before losing back-to-back games at Kansas State and Oklahoma State.

KU went on to play in the U.S. Olympic Playoffs, where it lost to Peoria (Ill.) in the finals.

Clyde Lovellette celebrates with coach Phog Allen.

1988 NCAA CHAMPIONS

Manning Leads Jayhawks to One Last Miracle -- an NCAA Title
Kansas 83, Oklahoma 79 • April 4, 1988 • Kansas City, Mo.

KANSAS CITY, Mo. -- Danny Manning scored 31 points -- including four clutch free throws in the closing seconds -- and grabbed 18 rebounds to lead Kansas past Big Eight Conference rival Oklahoma, 83-79, in the 50th anniversary of the NCAA Championship game at Kemper Arena in Kansas City, Mo.

The Jayhawks were considered a "bubble" team before receiving an at-large bid to the NCAA Tournament. Once in, "Danny and the Miracles" overcame many odds to win the title for coach Larry Brown.

Manning, the national player of the year and the Most Outstanding Player of the NCAA Tournament, "was phenomenal, just spectacular," Brown said after the game.

Brown's Jayhawks used two different tempos to keep the Sooners off balance. In the first half, Kansas ran with Oklahoma and the two teams went to the locker room tied at 50-50. In the second half, KU went to more of a halfcourt game.

In the end, however, it was Manning who carried the Jayhawks, who entered the NCAA Tournament unranked and seeded sixth. With 14 seconds left, Manning converted two free throws to give Kansas an 81-77 lead. After a Ricky Grace lay-in at :07, Manning was fouled and calmly sank two more charlies with five ticks left.

Manning's success at the line followed a shaky stretch in which the Jayhawks made just one of five free throw attempts, allowing Oklahoma to slice a 77-71 lead to one, 78-77.

The two teams slugged it out all night with neither team taking a sizable lead. Oklahoma, which beat KU twice during the regular season, held its biggest lead of five points with 12:14 left. Kansas led by as many as six points in the first half.

"We didn't panic when we were five down," Brown said. "Our kids believed we could beat them. There's a sense of pride, confidence in our club."

The key run for Kansas came with the score tied 71-71 and with the Jayhawks milking each possession. KU scored six unanswered points when Kevin Pritchard hit a lean-in six-footer, followed by a short Manning jumper and a baseline jumper by Chris Piper.

Depth was a factor for Kansas. Ten different Jayhawks saw action, while Oklahoma played just six players.

The Jayhawks became the first unranked team and the first team with double-digit losses to win the NCAA championship.

Kansas, plagued with injuries all season, finished the year with a 27-11 mark.

2008 NCAA CHAMPIONS

Kansas Wins 2008 NCAA Championship Over Memphis 75-68 In Overtime

Chalmers' Heroic Three Sends Game To OT

SAN ANTONIO, Texas Trailing 60-51 with 2:12 left in regulation, Kansas mounted a comeback that will go down as one of the most memorable in KU history to win the 2008 NCAA Division I National Championship in the Alamodome. In overtime, Kansas defeated Memphis 75-68 for its fifth national title in school history.

After Final Four MOP Mario Chalmers hit a game-tying three-pointer with 21 seconds left in regulation to send the game to overtime. The Jayhawks owned the extra period.

Overtime began with Shertron Collins stealing the ball and putting ahead to Brandon Rush for a lay-in. Darrell Arthur slammed a lob from Chalmers and Darnell Jackson hit a bucket, and Memphis was never able to catch up.

Despite the historic finish, Kansas struggled in the early going and ultimately had three unforced turnovers in the first three minutes and 10 seconds. But despite the early trouble handling the ball, KU traded only 9-5 at the first commercial break. The timeout served the Jayhawks well as KU immediately got a dunk from Sasha Kaun and an easy lay-in from Arthur to knot the score at nine-apiece.

Over the course of the next four minutes the two teams traded punch-for-punch as Kansas got buckets from Collins and Jackson, while Chris Douglas-Roberts did all the damage for the Tigers. At the second media timeout, the score was tied 13-all.

Once again after the timeout, Kansas got two quick buckets - one on a slash by Rush and the next on a three from Chalmers. With 8:26 on the clock, Kansas reached its biggest lead of the half with the score 22-15.

But the lead did not last as Memphis went on an 11-2 tear over the next two minutes to take a 26-24 advantage with 6:23 left in the period. Kansas answered with a driving layup from Collins and a vicious dunk by Kaun and, after another bucket from Douglas-Roberts, ended the half with a three-point play from Rush and a bucket from Arthur to lead 33-28 at intermission.

Memphis was the aggressor as the second half opened with the Tigers quickly outscoring the Jayhawks 8-2 to retake the lead. The game went back and forth until the 10:0 mark when, with the score 47-44 in KU's favor, Memphis went on a 10-0 run with the Tigers' Derrick Rose scoring eight points in the stretch. Memphis continued to stretch its lead until the 2:12 mark when it led by nine, 60-51.

With their backs against the wall, KU went to work. Arthur hit a mid-range jumper. On the ensuing inbounds pass, Collins dove for the ball, grabbed it, and saved it to Jackson who kicked it right back to Collins for a three-pointer to cut the lead to four in a span of eight seconds.

With time ticking away, Kansas put Memphis on the free throw line where the Tigers missed three crucial charity shots in the final 1:15. With 10.8 seconds and Memphis up 62-60, Douglas-Roberts went to the line where he missed the first and made the second to make it 63-60.

Collins then raced the floor, drove into the lane

and kicked the ball out to Chalmers with 3.9 seconds left. Chalmers then hit his biggest shot of his life - a contested three that sent the game to overtime with 2:1 seconds remaining.

Arthur led Kansas with 20 points and 10 rebounds. Chalmers scored 18 points to go with three boards, three assists and four steals. Rush and Collins finished with 12 and 11 points, respectively.

Douglas-Roberts led all scorers with 22 for Memphis. Rose scored 18 and Robert Dozier had 11 points and 10 boards.

KU once again owned the lane, outscoring the Tigers 44-26 in the paint and outrebounding Memphis 39-28.

The title was Kansas' third NCAA Championship and fifth overall all-time championship. The Jayhawks ended their storied season with a 37-3 all-time record, while Memphis dropped to 38-2.

Joining Chalmers on the all-tournament team were Rush, Arthur, Douglas-Roberts and Rose.

Dr. James Naismith - 1898-1907

As a physical education instructor at Springfield (Mass.) College in the winter of 1891, Naismith was asked to come up with a game that would occupy students' time between football and baseball.

As a former rugby player, he tried to incorporate that game into an indoor contest. Pussing the ball, rather than tackling, was insinuated and he placed peach baskets above the players' heads for goals. From this beginning, basketball evolved into today's game.

His innovations in sports did not stop with basketball. As a football player at Springfield under Amos Alonzo Stagg, Naismith complained of bruised ears from rough play. He took a football, cut it lengthwise and placed it over his head to protect his ears. Thus, the first football helmet was invented.

Naismith, the "Father of Basketball," is the only Kansas basketball coach to have a losing record. Dr. Naismith compiled a 55-60 record as the Jayhawks' first coach.

Naismith joined the KU faculty in 1898 and later became the director of physical education. He retired from active teaching in 1937 and died in 1939 at the age of 78.

The National Basketball Hall of Fame, located in Springfield, Mass., is named for him. He was elected to the Hall of Fame in 1959. He is buried in Lawrence, Kan., in Lawrence Memorial Park Cemetery.

Dr. F.C. "Phog" Allen - 1908-09; 1918-56

The winningest coach in Kansas basketball history, Allen compiled a record of 590-219 in 39 seasons as the Jayhawk head coach.

All totaled, Allen won 746 games. The win total still ranks as the 14th best of all-time.

As a student at KU, Allen's coach was "the Father of Basketball," Dr. James Naismith. When Allen was first thinking about making a career of coaching he talked with Naismith and was told "You don't coach basketball, Forrest; you play it." Despite that bit of advice, Allen went ahead with his career and disproved Naismith.

He played basketball, too, earning three letters at KU (1905-07), and also earning a spot on the roster of the Kansas City Athletic Club.

Allen began his coaching career in 1907, serving as Kansas' head coach for the 1907-08 and 1908-09 seasons. During that same time period, Allen also coached at Baker University in nearby Baldwin City, and added the coaching position at Haskell Institute in Lawrence in 1908-09.

He dropped out of coaching for four years and returned in 1912 as coach of all sports at Central Missouri State. In the seven years he was head coach at CMSU, his teams won seven championships and their combined record was 102-7.

* Schlademan coached first game of 1920 season before Dr. Allen took over.

** Engleman finished 1947 season as head coach after Dr. Allen was ordered to take a rest following 14th game.

Allen became athletics director at KU in 1919 as well as football and basketball coach. He also was instrumental in the establishment of the Kansas Relays in 1923, but basketball was his passion.

His KU teams won 24 conference championships and one NCAA title in 1952. The 1922 and 1923 teams were awarded the Helms Foundation National Championship. His 1940 and 1953 teams won the NCAA western regional, but lost in the national finals. In addition, he coached 14 All-Americans.

Allen was one of the founders of the National Basketball Coaches Association and served as its first president. He was named National Coach of the Year in 1950 and was a charter member of the Helms Foundation Basketball Hall of Fame. Allen was elected to the Naismith Memorial Basketball Hall of Fame in 1959.

Allen was the driving force behind the addition of basketball to the Olympic Games in 1936. During the late 1920's and early 1930's, he conducted a personal crusade trying to coax Olympic officials to include the sport. It finally paid off when the game, invented by his coach, Dr. James Naismith, was recognized by the committee in 1936. He served as an assistant coach to the 1952 Olympic team, a combination of KU players and a team from Peoria, Ill.

He was also behind the efforts of the implementation of the NCAA Tournament, played for the first time in 1939.

Allen Fieldhouse, named for him, was first opened March 1, 1955, and is still the home court for KU basketball.

Allen died on September 16, 1974, at the age of 88 and is buried in Lawrence, Kan., at Oak Hill Cemetery.

William O. Hamilton - 1909-19

The Jayhawks' third head coach, Hamilton bridged the gap between Phog Allen's two tenures as Kansas' coach.

Hamilton came to KU in 1909 as track and basketball coach, and accepted the athletics director's position in addition to his coaching duties. Prior to his appointment at Kansas, he served as director of physical education at Central High School in Kansas City, Mo., and acted in the same capacity at William Jewell College in Liberty, Mo.

Hamilton's teams compiled a 125-59 record and captured five conference championships, including three straight from 1910-12. Under his guidance three players achieved All-American status: Tommy Johnson in 1909 (KU's first All-American in any sport), Ralph "Lefty" Sproull in 1915 and A C "Dutch" Lonborg in 1919.

Dick Harp - 1957-64

After gaining a wealth of knowledge as Phog Allen's understudy, Harp became the Jayhawks' head coach from 1956-64. Harp compiled a 121-82 record in those eight seasons and led the Jayhawks to two conference titles and two NCAA tournament berths. In 1957, the Jayhawks captured the Midwest Regional and made it to the finals, only to be stopped by North Carolina in a memorable 54-53 loss in triple overtime in Kansas City, Mo. Under Harp's guidance, Wilt Chamberlain and Bill Bridges achieved All-American status.

Harp had served as Phog Allen's assistant for eight seasons before taking over for Allen in 1956. Prior to that, Harp was head coach for two seasons at William Jewell College in Liberty, Mo. Harp played basketball at KU, lettering from 1938-40 and was one of the starting guards on the 1940 team that lost to Indiana in the NCAA finals. Harp served as the director of the Fellowship of Christian Athletes for 13 years after leaving the Jayhawks. Harp is one of only five people to have played and coached in an NCAA title game. He served as an assistant coach at North Carolina for Dean Smith from 1966-69.

Harp died on March 18, 2000, at the age of 81.

Ted Owens - 1965-83

Owens ranks as the third-winningest coach in Kansas basketball history behind Phog Allen and Roy Williams. His record of 348-182 (.657) was compiled over 19 seasons from 1964-83.

In Owens' tenure as the Jayhawks' head coach, Kansas won six Big Eight Conference titles and advanced to NCAA postseason play seven times. His 1971 and 1974 teams made it to the Final Four, and in 1968 the Jayhawks lost to Dayton in the finals of the National Invitation Tournament.

Owens was named Big Eight Coach of the Year five times and was named National Coach of the

Year in 1978 by Basketball Weekly. He coached five All-Americans Jo Jo White, Darnell Valentine, Dave Robisch, Bud Stallworth and Walter Wesley.

A three-year letterman at Oklahoma (1949-51), Owens honed his coaching skills as head coach at Cameron State Junior College in Lawton, Okla. In four seasons his teams never won fewer than 20 games and three times advanced to the national junior college tournament semifinals. At Cameron, he amassed a 93-24 record and boasted four junior college All Americans.

Owens then accepted an assistant's position under Dick Harp in 1960, and was promoted to head coach when Harp resigned following the 1963-64 season.

Larry Brown - 1984-88

The sixth head coach in Jayhawk basketball history, Brown maintained Kansas' national prominence while leading his teams to NCAA Tournament appearances in each of his five seasons. Brown accepted the head coaching position with the San Antonio Spurs following the 1987-88 season and spent 23 seasons as a head coach in the NBA. Brown had a cumulative collegiate coaching record of 177-61 (.744) in seven seasons, including a five-year mark of 135-44 (.754) at Kansas.

A 1963 graduate of North Carolina, Brown was an honorable mention All-America guard under former Kansas basketball player Dean Smith. After playing on the 1964 United States gold medal-winning Olympic team, Brown went on to distinguish himself first as a player then as a coach in the American Basketball Association. He also served as a head coach in the NBA following its merger with the ABA.

While the head coach at UCLA (1979-80, 1980-81),

Brown led his freshman-dominated 1979-80 team to the NCAA title game before falling to Louisville, 59-54. Brown's 1985-86 Kansas team reached the NCAA Final Four, and the 1987-88 Jayhawk squad won the national title, defeating Oklahoma 83-79. He was selected as the 1986 Big Eight Conference Coach of the Year.

To cap off his incredible career, Brown was inducted into the Basketball Hall of Fame in 2002.

Roy Williams - 1989-2003

Roy Williams will go down as one of the greatest coaches in Kansas basketball history.

He came to Lawrence after 10 seasons as an assistant coach at his alma mater, the University of North Carolina, where he worked for KU alum Dean Smith.

In 15 seasons at Kansas, Williams led the Jayhawks to an amazing 418-101 record, for a winning percentage of 80.5 percent. He won more games in the first 15 years of a coaching career than any coach in Division I history, and he is the second-winningest coach all-time at KU, trailing only Phog Allen.

During Williams' tenure, Kansas made four trips to the NCAA Final Four, including playing for the national championship in 1991 and 2003. He coached four consensus first-team All-Americans (Nick Collison, Drew Gooden, Raef LaFrentz and Paul Pierce), while seeing 10 of his players selected in the first round of the NBA Draft.

Under Williams, the Jayhawks won nine conference titles, and, in 2002, became the first and only team in the history of the Big 12 Conference to go undefeated in league play (16-0).

A three-time National Coach of the Year and the recipient of the 2003 John R. Wooden Legends of

Coaching Award, Williams returned to his alma mater to assume head coaching duties at North Carolina in the spring of 2003. Williams was inducted into the Naismith Hall of Fame in September of 2007.

Bill Self - 2004-Present

In Bill Self's eight seasons as head coach at Kansas he has won one national championship, seven regular-season Big 12 titles and five league tournament championships.

In his first trip to the Final Four in 2008, Self's team won the title.

In 2008-09, Self was named national coach of the year by eight different organizations, including four listed in the NCAA record book - Associated Press, CBS/Chevrolet, Sporting News and USBWA. The 2006, 2009 and 2011 Big 12 Coach of the Year, Self was also selected as the winner of national coach of the year honors by Yahoo! Sports, Athlon Sports, CBSSports.com and ESPN.com in 2009.

While at Kansas, Self has coached two Big 12 Players of the Year - Wayne Simien in 2005 and Marcus Morris in 2011, two Big 12 Defensive Players of the Year - Mario Chalmers in 2007 and Cole Aldrich in 2009 and 2010 and one Big 12 Sixth Man Award winner in Sherron Collins in 2008. Additionally, Aldrich was named the Academic All-American of the Year in 2010.

In all, Self has had 32 Jayhawks named to an All-Big 12 team, including 12 first-team selections. Additionally, he has had 12 Jayhawks taken in the NBA Draft, including a record five selected in the 2008 draft.

The Naismith Memorial Hall of Fame

The University of Kansas proudly boasts of its rich basketball history. Seventeen former Jayhawks - 16 men and one woman - have been enshrined in the Naismith Memorial Basketball Hall of Fame, located in Springfield, Mass. The latest Kansas inductee is former KU guard Al Kelley, who was inducted in 2010. KU women's great Lynette Woodard was enshrined in 2004. Additionally, KU radio voice Max Fallekstien was honored with the prestigious Curt Gowdy Award presented by the Hall of Fame in 2004. The Hall of Fame is named in honor of the game's inventor and former KU head coach Dr. James Naismith. With 17 former Jayhawks in the Naismith Hall of Fame, Kansas has more inductees than any Division I school.

Dr. James Naismith • Almonte, Canada

As physical education instructor at Springfield College in 1891, Naismith invented the game of basketball, placing peach baskets above the players' heads for goals. From this beginning, basketball evolved into today's game.

His innovations in sports did not stop with basketball. As a football player at Springfield under Amos Alonzo Stagg, Naismith, because of bruised ears from rough play, took a football, cut it lengthwise and placed it over his head to protect his ears. Thus, the first football helmet was invented.

Naismith, who compiled a 55-60 record as the Jayhawks' first coach, joined the KU faculty in 1898 and later became the director of physical education. He retired from active teaching in 1937 and died in 1939 at the age of 78.

The National Basketball Hall of Fame, located in Springfield, Mass., is named for him. He was elected to the Hall of Fame in 1959. He is buried in Lawrence, Kan., in Lawrence Memorial Park Cemetery.

Dr. F.C. "Phog" Allen • Lawrence, Kan.

The winningest coach in Kansas basketball history, Allen compiled a record of 590-219 in 39 seasons as the Jayhawk head coach. All totaled, Allen won 746 games. The mark still ranks as the 14th highest in men's college basketball history.

As a student at KU (Allen earned three letters in basketball from 1905-07), Allen's coach was Dr. James Naismith. When Allen was first thinking about making a career of coaching he talked with Naismith and was told, "You don't coach basketball, Forrest, you play it."

Allen began his coaching career in 1907 as Kansas' head coach for the 1907-08 and 1908-09 seasons. During that same period, he also coached at Baker University and at Haskell Institute in

Lawrence in 1908-09. He dropped out of coaching for four years and returned in 1912 as coach of all sports at Central Missouri State. In seven years at CMSU, his teams won seven championships and their combined record was 102-7.

Allen became KU's athletics director in 1919 as well as football and basketball coach. He was instrumental in the establishment of the Kansas Relays in 1923, but basketball was his passion. His KU teams won 24 conference titles and one NCAA title in 1952. The 1922 and 1923 teams won Helms Foundation National crowns. His 1940 and 1953 teams won NCAA western regionals. In addition, Allen coached 14 All-Americans.

Allen was a driving force behind the addition of basketball in the Olympic Games and was later an assistant coach on the 1952 Olympic team. He was behind the efforts of the implementation of the NCAA Tournament, played for the first time in 1939. Allen was one of the founders of the National Basketball Coaches Association and served as its first president. He was National Coach of the Year in 1950 and a charter member of the Helms Foundation Basketball Hall of Fame. Allen was elected to the Naismith Basketball Hall of Fame in 1959.

Allen Fieldhouse, named for him, first opened March 1, 1955, and is still the home court for KU basketball. Allen died on September 16, 1974, at the age of 88 and is buried in Lawrence Oak Hill Cemetery.

E.C. Quigley • New Brunswick, Canada

Quigley was best known as a referee and official, but he was also a player, coach and administrator.

He served as athletics director at KU from 1944-50. In six years, he succeeded in retiring a \$113,000 debt owed on Memorial Stadium. He hired George Sauer and J.V. Sikes as football coaches, brought in Bill Easton as track coach and hired Dick Harp to be Phog Allen's assistant coach.

A four sport letterman, Quigley played football at KU in 1900 and 1901, and went on to coach football at Central Missouri State and St. Mary's College.

After suffering a broken hand in professional baseball, he turned to officiating sports. Quigley estimated he officiated 400 football games, 5,400 major league baseball games and 1,500 basketball contests in 40 years, including three Rose Bowls and six World Series. He spent 23 years in the National League as an umpire, supervisor of umpires and public relations director. He also worked several NCAA tournaments and the 1936

Olympic basketball finals.

He was elected to the Hall in 1961.

John Bunn • Wellston, Ohio

Bunn came to Kansas in 1917 as a three-sport athlete, earning four letters in football and three each in basketball and baseball. Upon graduation, he went on to coach basketball for 42 years at Stanford, Springfield (Mass.) College and Northern Colorado. He accumulated 321 wins and three Pacific Coast titles (1936-37-38).

A graduate of Humboldt (Kan.) High School, Bunn became the first athlete ever to earn 10 varsity letters from Kansas. After he retired as a coach, he was a member of the NCAA rules committee and served as the national rules editor and interpreter for nine seasons (1959-67). He served as chairman of the Hall of Fame committee of the NABC from 1949-61, and the first Executive Director of the Basketball Federation in 1965.

Bunn served as the freshman football, basketball and baseball coach at Kansas from 1924-27. He was elected to the Hall of Fame in 1964.

Adolph Rupp • Halstead, Kan.

Known as the "Baron of Basketball," Rupp was a member of the 1922 and 1923 teams which won Helms Foundation National Championships under Phog Allen.

Rupp went on to coach at Kentucky for 41 seasons and compiled a record of 876-190, surpassing his former coach Phog Allen as the winningest college coach of all time (a record since broken by Kansas graduate Dean Smith).

As coach of UK, Rupp guided his teams to 27 Southeastern Conference titles, an NIT crown and four NCAA championships. Under Rupp, 31 players went on to professional careers and 25 earned All America status.

He was named National Coach of the Year four times and SEC Coach of the Year seven times. He served as co-coach of the 1948 Olympic team and was an Olympic goodwill ambassador to the 1968 games in Mexico City.

He was elected to the Hall of Fame in 1959.

Paul Endacott • Lawrence, Kan.

Endacott lettered in basketball at Kansas from 1921-23 and was captain of the 1923 squad which captured a conference title and finished the season with a 17-1 record. The 1922 and 1923 teams were later recognized by the Helms Foundation as national champions for those years.

Kansas coaching legend Phog Allen called Endacott "The greatest player I have ever

coached."

Endacott was awarded all-conference honors in 1921-22-23 (the first triple all-conference selection in KU history), and was named Helms Foundation National Player of the Year in 1923.

He was elected to the Hall in 1971.

Arthur Lonborg - Horton, Kan.

"Dutch" Lonborg was a three-sport letterwinner at Kansas, earning honors in football, basketball and baseball. He was a three-time all-conference performer in football (1917-19) and was twice named all-conference in basketball. He was an All-American in basketball in 1919.

After graduating from the KU Law School, Lonborg coached at McPherson College and Washburn before beginning a 23-year career as coach at Northwestern. At Northwestern, he was instrumental in organizing the first NCAA basketball tournament in 1939.

He returned to KU in 1950 as director of athletics, a position he held for 14 years. During his tenure, the Jayhawks won 38 conference titles in all sports and took four NCAA crowns, including the 1952 basketball title. Under his guidance, Allen Fieldhouse, Quigley Field (now Hoglund Ballpark) and Memorial Stadium expansion projects were completed.

Lonborg served as the manager of the 1960 Olympic basketball team and spent 13 years as the chairman of the NCAA basketball tournament committee. He also served as chair of the 1959 U.S. Pan American Games.

He was elected to the Hall in 1972.

William C. Johnson - Oklahoma City, Okla.

The dominant collegiate center of his time, Bill "Skinny" Johnson achieved All-American status in 1933 as he led the Jayhawks to a third consecutive Big Six Conference title. Johnson, who stood 6-4, was considered a giant in an era when the center jump after each basket was a part of the game.

After graduation, Johnson continued to be a force in basketball. He played for Southern Kansas Stage Lines in the AAU, earning All-America honors.

Johnson received the Jim Thorpe Award, given annually to an all-time sports great from Oklahoma.

He was named to the Hall of Fame in 1976.

John McLendon - Hiawatha, Kan.

KU graduate John McLendon was the first African-American college coach elected to the Hall of Fame in 1978.

After becoming the first African-American to

graduate from KU with a bachelors' degree in physical education in 1936, McLendon turned to coaching. He began an illustrious 14-year career at North Carolina College in 1938, then later coached at Hampton (Va.) Institute and Tennessee A&I. While head coach there, his teams won three consecutive NAIA national titles (1957-59). He was the first African-American coach to win three straight national titles.

Mentored by Dr. James A. Naismith, McLendon had an insistence that basketball should be played at a fast break pace, offensively and defensively, because that was what Naismith had taught him.

He also coached at Kentucky State, Cleveland State, the National Industrial League and professionally with Cleveland (ABL) and Denver (ABA). He retired in 1969 with a 25-year college mark of 523-165 (.760).

McLendon served as a State Department basketball specialist to Southeast Asia, and a consultant to the Virgin Islands and Bahamas basketball federations. He coached the 1964 NAIA Olympic Trials team and the 1973 USA team at the World Basketball Festival in Peru.

He was honored as the NAIA national coach of the year in 1958, and named coach of the decade by the Central Intercollegiate Athletic Association in 1956.

Wilt Chamberlain - Philadelphia, Pa.

One of the greatest basketball players ever, Chamberlain quickly made an impact on the Jayhawk basketball program. In his freshman basketball debut, he scored 42 points as the freshman team defeated the varsity.

Chamberlain's varsity debut was equally impressive as he poured in 52 points and grabbed 31 rebounds against Northwestern. That scoring total still ranks as a Kansas single-game record.

In 1957, Chamberlain led the Jayhawks to a 24-3 record and a spot in the NCAA finals where Kansas was defeated by North Carolina, 54-53 in three overtimes. Despite the loss, Chamberlain was named tournament MVP. He was a two-time All-American and All-Big Eight selection.

Chamberlain was a versatile performer as he also lettered in track. He cleared 6-6 3/4 in the high jump to tie for first in the 1958 Big Eight track and field championships.

After leaving school following his junior season for the Harlem Globetrotters, he became the NBA's second-leading all-time scorer (31,419 points), Rookie of the Year in 1960, four-time MVP and 10-time All-NBA performer. He also set the NBA single-game scoring record March 2, 1962, with 100 points against the New York Knicks.

Chamberlain, who passed away on Oct. 12, 1999, was elected to the Hall in 1978.

Dean Smith - Emporia, Kan.

Smith, the second winningest college basketball coach ever, was a member of the 1952 Kansas team which claimed the NCAA title, downing St. John's, 80-63, and a member of the 1953 team which lost to Indiana in the NCAA finals.

A native of Emporia, Kan., Smith coached North Carolina to the 1982 and 1993 NCAA titles and his 1971 team claimed the NIT crown. He was the coach of the 1976 Olympic squad that won a gold medal. In 36 seasons as the head coach at North Carolina, he compiled an NCAA record 879-254 mark.

He took his North Carolina teams to 23 consecutive NCAA tournaments, breaking John Wooden's UCLA streak. His Tar Heels played in the Final Four 11 times.

Smith guided North Carolina to 27 consecutive seasons of 20 or more wins. The Tar Heels won 13 Atlantic Coast Conference championships with Smith at the helm, and UNC won either the regular season race or the postseason tournament 20 out of 27 years.

He coached 32 all-conference players and 26 All-Americans while seeing 51 of his former players go on to play in the professional ranks. A total of 20 of his former players, including former KU coaches Larry Brown and Roy Williams, are coaches or administrators on the college or pro level.

He was elected to the Hall of Fame in 1984.

Ralph Miller - Chanute, Kan.

After 39 years as a college coach, Ralph Miller retired in 1989 as the sixth-winningest coach in NCAA history. All told, Miller accumulated a mark of 674-370.

Before becoming a coaching legend, Miller enjoyed much athletic success. At Chanute (Kan.) High School he earned 12 letters in five sports. Following his prep career, Miller enrolled in 1937 at Kansas where he was a two-sport star for the Jayhawks. He earned three football letters as a starting quarterback and three in basketball playing for Phog Allen. Miller was a starter on KU's 1940 NCAA Tournament runner-up team.

Upon graduating from KU in 1942, Miller served three years in the Air Force before starting his coaching career at Wichita (Kan.) East High School. After three years and a state title, he moved on to coach at Wichita State. He compiled a 220-133 record in 14 years at WSU, then moved on to Iowa, where he had a 95-51 mark in six years. Miller then left for Oregon State, where his

Miller was elected to the Hall in May, 1988. He passed away on May 16, 2001.

Clyde Lovellette - Terre Haute, Ind.

A two-time All-American center, Clyde Lovellette led Kansas to an 80-63 win over St. John's in the 1952 NCAA championship game, set a then-NCAA Tournament scoring record and earned most outstanding performer honors for his efforts.

Today, he ranks as the fourth all-time leading scorer in KU history with 1,979 career points in 80 games (24.7 ppg.) and as the No. 10 all-time leading rebounder with 813 (10.2 rpg.). During his senior season, when he led the nation in scoring by averaging 28.4 points per game, he had career highs with 44 points against St. Louis and 22 rebounds against Colorado.

In addition to his All-America selections, he was a three-time All-Big Seven center and capped his career by leading the United States to the gold medal in basketball at the 1952 Olympic games in Helsinki, Finland.

Following his career at KU, Lovellette played one year of AAU ball then embarked on a 12-year NBA career with stops at Minneapolis, Cincinnati, St. Louis and Boston.

Since retiring from professional basketball following the 1964 season, he has worked in the area of law enforcement and juvenile counseling in his native state of Indiana.

He was elected to the Hall in May 1988.

Larry Brown - Long Beach, N.Y.

The sixth head coach in Kansas basketball history, Brown maintained Kansas' national prominence while leading his teams to NCAA Tournament appearances in each of his five seasons. Brown accepted the head coaching position with the San Antonio Spurs following the 1987-88 season and spent 23 seasons as a head coach in the NBA. Brown had a cumulative collegiate coaching record of 177-61 (.744) in seven seasons, including a five-year mark of 135-44 (.754) at Kansas.

A 1963 graduate of North Carolina, Brown was an honorable mention All-America guard under former Kansas basketball player Dean Smith. After playing on the 1964 United States gold medal-winning Olympic team, Brown went on to distinguish himself first as a player then as a coach

in the American Basketball Association. He also served as a head coach in the NBA following its merger with the ABA.

While the head coach at UCLA (1979-80, 1980-81), Brown led his freshman-dominated 1979-80 team to the NCAA title game before falling to Louisville, 59-54. Brown's 1985-86 Kansas team reached the NCAA Final Four, and the 1987-88 Jayhawk squad won the national title, defeating Oklahoma 83-79. He was selected as the 1986 Big Eight Conference Coach of the Year.

He was elected to the Hall of Fame in 2002.

Lynette Woodard - Wichita, Kan.

Lynette Woodard enjoyed a phenomenal basketball career. She was a three-time All-State selection at Wichita North High School. A national high school All-American in 1977, Woodard went on to play at KU from 1978-81.

She finished her collegiate career as a four-time Kodak All-American and the leading scorer in the history of women's basketball with 3,649 points (26 ppg, 12 rpg).

A four-time All-Big Eight selection, Woodard dominated the women's game, leading the nation in scoring in 1979, rebounding in 1978 and steals in 1979, 1980 and 1981. Woodard was MVP of the Big Eight Tournament in 1979, 1980 and 1981, and was later named the Big Eight Conference Player of the Decade. She scored in double-figures in 138 of 139 career games at Kansas.

Woodard was a member of the 1980 Olympic Team and co-captained the gold medal-winning Olympic team in 1984. She also earned a gold medal at the World University Games in 1979. Following KU, Woodard played international basketball in Italy during the 1980s. She earned notoriety in 1985 when she became the first female ever to play for the Harlem Globetrotters. She played two professional seasons in the United States with the WNBA's Cleveland Rockers and Detroit Shock.

She was elected to the Hall of Fame in 2004.

Roy Williams - Spruce Pine, N.C.

Roy Williams will go down as one of the greatest coaches in Kansas basketball history.

He came to Lawrence after 10 seasons as an assistant coach at his alma mater, the University of North Carolina, where he worked for KU alum Dean Smith.

In 15 seasons at Kansas, Williams led the Jayhawks to an amazing 418-101 record, for a winning percentage of 80.5 percent. He won more games in the first 15 years of a coaching career than any coach in Division I history, and he is the second winningest coach all-time at KU, trailing

only Phog Allen.

During Williams' tenure, Kansas made four trips to the NCAA Final Four, including playing for the national championship in 1991 and 2003. He coached four consensus first-team All-Americans (Nick Collison, Drew Gooden, Raef LaFrentz and Paul Pierce), while seeing 10 of his players selected in the first round of the NBA Draft.

Under Williams, the Jayhawks won nine conference titles, and, in 2002, became the first team in the history of the Big 12 Conference to go undefeated in league play (16-0).

A three-time National Coach of the Year and the recipient of the 2003 John R. Wooden Legends of Coaching Award, Williams returned to his alma mater to assume head coaching duties at North Carolina in the spring of 2003. He won the 2005 national championship while at UNC.

Williams was elected to the Hall of Fame in 2007.

Allen Kelley - McCune, Kan.

Allen "Al" Kelley was inducted to the Naismith Basketball Hall of Fame as a member of the 1960 U.S. Olympic Team which won the gold medal in Rome. On the 1960 coaching staff was Dutch Lonborg who was inducted into the Hall of Fame as an individual in 1972. Additionally, KU legendary trainer Dean Nesmith also assisted in Rome.

Kelley participated in five of the U.S. eight victories and the 1960 team went on that year to win the gold medal in Rome, Italy; winning every game played by 30 points or more.

Kelley was a three-year letterman at Kansas for head coach Phog Allen from 1952-54 and was a member of the 1952 NCAA National Championship team. He was an All-Big Seven Conference first-team selection in 1953 and 1954. KU's Retired Jerseys

The concept of retiring the jerseys of outstanding Jayhawk men's basketball players was initiated prior to the 1991-92 season when banners honoring Clyde Lovellette, Danny Manning, B.H. Born, Charlie Black, Paul Endacott, Wilt Chamberlain and Charlie Black were unveiled in the south end of Allen Fieldhouse. The original criteria for a retired jersey included KU players named college basketball player of the year, most valuable player of the NCAA Tournament or being named a four-time All American. The list was expanded in 1997 to include Ray Evans, who holds the distinction of being an All American in both football and basketball.

The criteria was expanded prior to the 2002-03 season to include consensus first team All-Americans, two time first team All America selections and Academic All-American of the Year.

In 2006, long-time KU broadcaster Max Falkenstein was added for his 60 years of calling Kansas Athletics.

The list below does not include the jerseys of standout KU women's basketball players Angela Aycock, Tamecka Dixon or LaVonnie Woodard.

Tus Ackerman - 1922-25

The leading scorer in the 1923 Helms Foundation National Championship game, Tus Ackerman was also a 1924 first team All American.

Ackerman, a member of the Kansas Athletics Hall of Fame, was named to the All-Missouri Valley team in 1924 and 1925.

In his three years with the Jayhawks, he led KU in scoring each year. He captained the 1925 team and produced 10.2 points per game.

Ackerman and the Jayhawks accumulated three conference championships in 1923, 1924 and 1925 and in that period lost only five games overall.

Ackerman's jersey was officially retired on Jan. 15, 2001.

Charlie B. Black - 1942-43, 1946-47

Charlie Black, nicknamed the "Hawk" for his defense, is a four-time All Big Six player and the only four-time All-American in KU basketball history.

During his first year at KU Black led the Jayhawks to a share of the Big Six Conference title.

After the 1943 season, Black spent the next two years fighting in World War II.

Black returned to Mt. Oread in 1946 and helped the Jayhawks to a 19-2 record and a return to the NCAA playoffs.

Among the all-time scoring leaders in KU history, Black led the Big Six in scoring in 1946.

Black's jersey was retired during the 1992 season. He died in December 1992 at the age of 71.

Charlie T. Black - 1922-24

Charlie Black, a two-time all-conference and All-American selection, helped the Jayhawks compile a

49-6 record in his three years at KU.

His main asset to the team came in the form of his intense defensive style.

Black contributed to KU's three Missouri Valley Championships and the 1922 and 1923 Helms Foundation National Championships.

After leaving Kansas, Black eventually made his way to the University of Nebraska. He was head coach of the Cornhuskers for six seasons, from 1927-32.

Black's jersey was one of seven Jayhawk jerseys retired during the 1992 season.

B.H. Born - 1952-54

In 1953, Born became the center of attention for the Jayhawks and established himself as one of the nation's best centers. He was selected All-American and first-team All-Big Seven.

That same year, Born was selected as the most outstanding performer in the NCAA Tournament, the first player ever to win the award from a non-championship team.

In Born's senior season, he was named to the All-Big Seven Team. He went on to play in the 1954 World Championships.

His jersey was retired on Feb. 15, 1992, in a ceremony honoring the 1952 NCAA title team.

Bill Bridges - 1959-61

A Hobbs, N.M., native, Bill Bridges earned All-American honors in 1961. In three years at Kansas, he earned three selections to the All-Big Eight Conference.

Bridges grabbed 1,000 rebounds in 78 games and averaged an amazing 13.9 rebounds per game as a center at Kansas from 1959-61. KU's postseason rebounding award bears Bridges' name.

Bridges' jersey was officially retired on Dec. 9, 2004.

Wilt Chamberlain - 1957-58

Wilt Chamberlain's career averages of 29.9 points and 18.9 rebounds per game are easily the best in Jayhawk history and rank among the tops in the NCAA record books.

In his varsity debut, Chamberlain turned in a dominating performance, scoring a career-high 52 points and grabbing 31 rebounds. The 52 points scored by Chamberlain still stands as a KU record.

He was twice named a consensus first team All-American and All-Big Seven member.

Chamberlain became the third Kansas player since 1952 to win the NCAA Tournament's Most Outstanding Player award.

Chamberlain's average of 30.1 points per game in 1958 is the highest in Kansas history.

He became the first NBA player to ever win the Rookie of the Year and Most Valuable Player awards in the same season. During the 1962 season,

Chamberlain recorded his 100-point game.

Chamberlain, who passed away on Oct. 12, 1999, was on hand Jan. 17, 1998 to see his jersey officially retired.

Nick Collison - 2000-03

A four-year standout power forward, Nick Collison is the Jayhawks' second all-time leading scorer, third all-time leading rebounder and second all-time leading shot blocker. He left KU ranked as the leading scorer and rebounder in Big 12 Conference history.

A native of Iowa Falls, Iowa, Collison was named the 2003 NABC National Player of the Year, a consensus first-team All-American in 2003 and the 2001 Big 12 Male Athlete of the Year.

Collison led the Jayhawks to back-to-back Final Fours his junior and senior seasons, including playing for the national championship in 2003. He was also a starter on the 2002 team, which became the first squad in the history of the Big 12 Conference to go undefeated in league play (16-0).

Collison was a first-round selection (12th pick overall) of the Seattle SuperSonics in the 2003 NBA Draft.

Collison's jersey was officially retired Nov. 25, 2003.

Paul Endacott - 1921-23

Paul Endacott, the 1923 National Player of the Year and a member of the Basketball Hall of Fame, led Kansas to a pair of Helms Foundation National Championships in 1922 and 1923.

Endacott is a two-time all conference performer and a two-time All-American.

In 1923, Kansas posted an unblemished 16-0 Missouri Valley Conference record.

Phog Allen once called him, "the greatest player I have ever coached."

He was inducted into the Naismith Basketball Hall of Fame in Springfield, Mass., on April 20, 1972. Endacott's jersey was retired in a ceremony at halftime of the KU Nebraska game on Jan. 25, 1992.

Howard Engleman - 1939-41

Howard Engleman, the second Jayhawk to receive consensus first-team All America honors, led KU to two Big Six conference championships and an appearance in the Final Four.

He was a 1940 NCAA All-Tournament team member after leading Kansas to the championship game, and was twice named to the All-Big Six team.

Engleman replaced Phog Allen as coach for half of the 1947 season when Allen was ordered to bed rest. The team finished with a 16-11 mark.

Engleman's jersey was officially retired on March 1, 2003.

After playing two seasons of football and basketball in 1942 and 1943, Evans' career was interrupted by World War II. Evans returned to KU for the 1946 and 1947 seasons.

The Ray Evans trophy honors a member of the current Jayhawk football team whose all-around excellence both on and off the field best exemplify the traits of the former KU star.

Evans was voted into the Kansas All Sports Hall of Fame in 1971.

Evans, a four-time All-Big Six Conference selection in the 1940s, was on hand in Allen Fieldhouse in 1997 to see his jersey retired.

He has also been honored by the College Football Hall of Fame, the KU Hall of Fame and the state of Kansas Hall of Fame. A native of Sioux City, Iowa, Hinrich had a stellar career at Kansas from 2000-03. He guided KU to back-to-back Final Fours in 2002 and 2003. The 2002 KU team is still the only team to go undefeated (16-0) in the history of the Big 12 Conference.

LaFrentz's jersey was officially retired on Feb. 16, 2003.

KU in International Competition

The University of Kansas — its players, coaches and administrators — has played a big role in international basketball.

Hall of Fame Kansas coach Forrest "Phog" Allen was instrumental in making basketball part of official Olympic competition in 1936. Allen later served as an assistant coach on the USA's 1952 Olympic team.

Seven members of KU's 1952 NCAA championship team joined a group of AAU players from Peoria, Ill., to form the 1952 U.S. Olympic team in Helsinki, Finland.

* Schmidman backed season's first game before Allen took over.

† Engleman postponed in 1946. KU team didn't play during World War II on July 27.

1944 while fighting with the Ninth Marines as a first lieutenant.

‡ Engleman finished out season as head coach when Allen was ordered to take a rest after the 13th game because of a head injury.

Triple-Doubles
Cole Aldrich's triple-double against Dayton (13 points, 20 rebounds, 10 blocked shots) on March 22, 2009, is formally the first recorded in Kansas men's basketball history as blocked shots, assists and steals were not recorded at Kansas until the 1970s (and the NCAA until the 1980s). Lawrence Journal-World reporter Bill Mayer provided Kansas with two instances in which Jayhawk legend Wilt Chamberlain recorded triple doubles. Additionally, the NCAA Final Four record book shows that KU' great B.H. Barn had an unofficial triple double against Indiana in the 1953 NCAA Tournament. Naismith Basketball Hall of Famer Earvin "Magic" Johnson is the only KU opponent to record a triple double versus the Jayhawks in 1979.

Kansas Triple-Doubles

Cole Aldrich vs. Dayton (3-22-09) - 13 points, 20 rebounds, 10 blocked shots (NCAA Tournament, Minneapolis, Minn.)
Wilt Chamberlain vs. Colorado (3-9-57) - 40 points, 13 rebounds, 12 blocked shots (at Allen Fieldhouse)
Wilt Chamberlain vs. Marquette (12-8-56) - 39 points, 22 rebounds, 14 blocked shots (at Allen Fieldhouse)
B.H. Barn vs. Indiana (3-18-53) - 26 points, 15 rebounds, 13 blocked shots (NCAA Tournament championship game, Kansas City, Mo.)

KU Opponent Triple-Doubles

Earvin Johnson, Michigan State (2-4-79) - 12 points, 10 rebounds, 11 assists (at East Lansing, Mich.)

MEDIA INFORMATION

The 2011-12 University of Kansas basketball media guide has been produced to assist you in your coverage of the Jayhawks. Additional materials including game notes, photographs, photo CDs, recent clippings and video footage are available upon request. Below are KU's media policies. If you have any questions, please contact the Kansas media relations office.

Credentials

All credential requests must be made online at kuathletics.com. Contact the media relations office for information on how to access the page. Credentials will be shipped at the outlets expense. The Allen Fieldhouse Media Will Call distribution location is at the south side of Allen Fieldhouse, west end and opens two hours prior to game time.

The University of Kansas follows the guidelines set forth by the NCAA and the Big 12 Conference in governing the issuance of credentials.

Season credentials will be granted only to daily newspapers and television/radio stations that cover KU basketball on a regular basis. Otherwise, TV/radio stations, weekly newspapers and internet services will be granted credentials on a single-game, space-available basis. Season credential requests should be made by October 20.

Single-game credentials should be requested at least 48 hours in advance. To confirm receipt of credential requests or to check the status of a credential request, please contact media relations office manager Erin Penning at epenning@ku.edu or 785-864-3417.

Print media, including daily newspapers, national magazines and fan publications representing KU and the opponent qualify for credentials. Non-daily newspapers and other various print media will receive credentials on a space-available basis.

In addition, credentials will be issued to conference members, non-conference opponents and for the Big 12 Conference. The University of Kansas reserves the right to deny media credentials to any individual who is not affiliated with an official news organization.

Television/Radio/Internet

Television stations and networks that cover KU and the opponent on a regular basis will receive credentials. Other video media will receive credentials on a space-available basis. A television feed from the production truck will be set up in the press room. There will be one television pool camera assigned per game. Otherwise, no television cameras, other than those broadcasting the game live, are permitted to shoot in Allen Fieldhouse until the floor has been cleared by both teams at halftime and following the game.

The radio stations that are part of KU and opponent radio networks, which broadcast the game live, are eligible for credentials. All other radio stations will receive credentials on a space-available basis.

Web sites which are issued credentials include those affiliated with national television and news media organizations (e.g. USA Today Online, ESPN.com, CNN/SI.com, CBS Sportsline, etc.)

Photographers

Only still photographers (no TV cameras other than those actually broadcasting the game) will be allowed to shoot the game. Photographers must be off the court and seated behind the outlined area. Kansas Athletics staff photographer Jeff Jacobsen assigns floor spots for all home games.

Working Media Locations

Media may file from their assigned seats at courtside, the media room or the media relations office following games.

Courtside seating for Kansas home games is extremely limited. Overflow media will be assigned to Section 13A.

The media workroom is located in the northwest corner, first floor of Allen Fieldhouse.

Phone Lines

Media wishing to install telephone lines should contact KU Telecommunications at 785-864-9300. Ask for customer service and please notify them two weeks in advance. Postgame Interviews

Home Games -- Both the Kansas (north end) and visiting locker rooms (south) are located behind the west floor bleachers in Allen Fieldhouse. The Kansas locker room is closed to the media, although requested players are available for interviews in the media work room, located for 2011-12 at the northwest corner of Allen Fieldhouse, first floor. A representative of the media relations office will gather interview requests from the media in the second half.

Coach Bill Self will conduct a postgame interview session in the media work room. No live television shots, except by networks televising the game live will be allowed before the players and Self have fulfilled their usual postgame responsibilities.

Opponent Interviews

Are usually conducted outside the visiting locker room. Contact the visiting SID for his or her policy prior to the game.

Road Games

Players will be available outside the locker room. Coach Self will meet with the media upon completion of his postgame radio show.

Injury Information

The University of Kansas athletics department will abide by HIPAA — a federal privacy act with regard to the release of injury information.

KU athletes will be required to sign a waiver before their injury information is released to the media. If the athlete chooses to withhold that information, KU officials will be restricted to informing media members of their playing status only — playing, probable, doubtful or out.

Covering Practices

Kansas practices are normally closed and Coach Self reserves the right to open them. Media interested in attending practice should contact Chris Thiesen at 785-864-3474 to confirm the time and place.

Please note that the locker room area, players' lounge, weight room and training room are off limits to the media. In order to avoid congestion on the floor, media who attend practice are asked to watch from the bleachers on the west side of Allen Fieldhouse.

Parking

Most media parking is located in lot 90, southeast of Allen Fieldhouse, on the east side of Naismith Drive. Parking passes are distributed on a first-come, first-serve basis and passes are extremely limited. **KANSAS ATHLETICS DOES NOT TAKE CARE OF PARKING TICKETS GIVEN BY THE UNIVERSITY**

Broadcast Rights

All requests for radio and television (both delayed and live) rights should be directed to KU Associate Athletics Director for Communications/Media Relations Jim Marchiony. Origination fees and requirements for fee waivers will be explained in writing along with the issuance of contracts.

University of Kansas men's basketball will be heard exclusively during the season on the Jayhawk IMG Radio Network. Bob Davis and Chris Piper form the broadcast team for the Jayhawk Radio Network. David Lawrence and Josh Klingler will handle the Crimson and Blue Line Show, which runs before each KU game and the Jayhawk Locker Room Show following each contest. Piper replaced long-time broadcaster Max Falkenstein who concluded 60 years of broadcasting Kansas Athletics after the 2005-06 season.

The Jayhawk IMG Radio Network is operated by Jayhawk IMG Sports Marketing, a division of IMG College with offices in Lawrence. Jason Booker serves as general manager of the Kansas property.

Davis is in his 28th year calling the play-by-play for Kansas football and basketball and 44th season overall in the broadcast booth. Davis also serves as host for the weekly radio call-in program, HawkTalk, featuring the Jayhawk football and basketball coaches.

Davis recently completed his 15th year as a Kansas City Royals announcer.

On the national scene, Davis was part of the NCAA-CBS broadcast for the NCAA women's Final Four in 1990, 1992, 1994, 1995, 1996 and 1997.

Including 2011, Davis has been honored 13 times as Kansas Sportscaster of the Year. He is a two-time winner of the Oscar Stauffer Award for excellence in high school sports reporting. He has received the Sportscaster of the Year Award from the Kansas High School Athletic Directors Association and has been recognized for his contribution to Kansas Sports Broadcasting, having received the Hod Humiston Award presented by the Kansas Association of Broadcasters (KAB). In October of 2006, Davis was inducted into the KAB Hall of Fame.

A member of the Fort Hays State University Sports Hall of Fame, Davis broadcast Fort Hays sports for 16 years prior to

joining the Jayhawk IMG Radio Network.

Davis, during the 2000-01 basketball season, was named to Dick Vitale's "Sweet 16" — his list of the top 16 college basketball broadcasters in the nation.

A four-year letterwinner at Kansas, Piper played on the Jayhawks' 1988 National Championship and 1986 Final Four teams. He served as an analyst for Jayhawk Television Network broadcasts for 14 years and for ESPN-Plus Big 12 telecasts for six years. This is his fifth season as radio color analyst. Piper is an owner of Grandstand Sportswear and Glassware in Lawrence, which produces licensed collegiate merchandise.

David Lawrence is in his 16th season with the Jayhawk IMG Radio Network. Lawrence serves as host of the basketball network pre-game Crimson and Blue Line Show and post-game Jayhawk Locker Room Show.

Bob Newton, who handles broadcast operations and affiliate communications, is in his 26th year as producer-engineer of the Jayhawk IMG Radio Network. A former president of the KAB, and former station manager of KLWN & KLZR in Lawrence, Newton provides technical support for the student radio stations at KU and Baker University, and is a duty officer and public information officer for Douglas County Emergency Management.

Former radio voices of the Jayhawk Network include Max Falkenstein, Gary Bender, Kevin Harlan, Bill Grigsby, Tom Hedrick, Merle Harmon and Bob Fromme.

Jayhawk Television Network

The Jayhawk IMG TV Network will telecast five University of Kansas basketball games this season.

Five stations — KSMO in Kansas City, Mo., WIBW in Topeka, Kan., KSNW in Wichita, Kan., Cable One and Cox Communications in Southeast Kansas — comprise the Jayhawk IMG TV Network.

Dave Armstrong will call the action for Jayhawk IMG TV Network and former Jayhawk Greg Gurley is the analyst. Armstrong was the first television play-by-play man for Jayhawk TV in 1991. After a hiatus with the Colorado Rockies television network, Armstrong rejoined JTV in 2001. He has called Big Eight/Big 12 basketball since 1988 and has also worked with the Kansas City Royals TV network. Armstrong calls college football for ESPNU in the fall. Gurley was a four-year letterwinner at KU from 1992-95 and was part of three Big Eight Conference titles. His sophomore season, 1993, KU went to the Final Four. Gurley was hired in the summer of 2011 as the Director of Development for the William's Education Fund at KU.

Hawk Talk

Hawk Talk, Bill Self's weekly radio show hosted by Bob Davis, airs throughout the basketball season. The show airs every Monday from 6:00-7:00 p.m. on the Jayhawk IMG Radio Network stations. Please note that when KU has a game on Mondays, Hawk Talk will air live on Tuesday at the usual time.

Bill Self Coach's Show

Coach Bill Self will breakdown games and highlights each week with Bob Davis as host. The show, which is produced by Jayhawk IMG Sports Marketing and Rock Chalk Video, airs on the statewide network. Please check your local Jayhawk IMG TV Network affiliate for show dates and times.

BIG 12 CONFERENCE - A NATIONAL LEADER

One. True. Champion. The Big 12 enters its 16th year in a unique position - as the only major conference in the nation to determine its champions in all sports directly on the field. Around here, it's every team against every team. We believe that's the way a true champion is made.

Determining our champion on the field is just one portion of how we play in the Big 12 Conference. The member schools of the Big 12 are neighbors, where road games don't require crossing time zones. We battle each other hard on Gameday and celebrate wins against outside competition. Our student-athletes, fans and alumni have each other's backs on other days - because that is what you do for your neighbor. A hard work ethic and Midwestern values are part of everyone associated with the Big 12 and its member schools.

This work ethic has translated to enormous success on the field of play in the first 15 years of the league. Since it began play in 1996-97, the Conference can boast of 42 team crowns and 477 individual NCAA Championships. The trophy case added more hardware last year as Oklahoma State (men's cross country) and Texas A&M (women's basketball) won national crowns. In the spring, the Aggies registered an unprecedented double three-peat by winning the men's and women's NCAA Outdoor Track & Field Championships for the third straight season.

Big 12 squads are highly-regarded on a national level in every sport. All but one sport the Conference sponsored this past season had at least one team ranked in the top five of the national polls, with eight sports boasting the nation's No. 1 team. In addition, most of those top five rankings (and all the No. 1 rankings) were by schools that will be part of the league in 2011-12 and beyond.

In addition to the NCAA crowns and top rankings, several other teams made strong national showings. Ten Big 12 volleyball teams have competed in the regional semifinals of the NCAA Championship over the past three years, including Texas for three straight campaigns. In 2010-11, six of the eight sports that hold NCAA Championships where the Big 12 sponsored full round-robin competition had a team competing among the final eight teams or beyond.

Through its first 15 years, the Big 12 has claimed a team national championship in 16 of the sports it sponsors. The Conference is tied with a nation's-best seven appearances in the BCS National Championship Game and leads the country with 89 football consensus All-America selections. League squads have combined to lead the nation in women's basketball attendance each of the last 12 years and the Big 12 is the only conference to surpass the one-million mark in season attendance - doing so six times, including each of the last five seasons. In men's basketball, the league has sent six different teams to the Elite Eight the past four campaigns, the most of any conference.

The 10 current members have accounted for 34 of 39 bowl appearances over the last five years, including eight BCS berths. All 42 NCAA men's basketball bids in the last eight years and 77 of 80 in Big 12 history have been earned by the 10 schools.

During the last seven years a total of 21 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including 14 consecutive seasons.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

The academic accolades have always been strong in the Big 12. In 2010-11, four student-athletes were recipients of the NCAA Elite 88 Award. The honor recognizes individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers. In its short history, the Big 12 has also had over 500 Academic All-America recipients, averaging more than 30 each season.

Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Seven times in the past six years a league athlete has garnered the top academic honor for their respective sport. The Big 12 had plenty of success overall in the classroom the last two years, as the Conference boasted 60 student-athletes earning Capital One/CoSIDA Academic All-America recognition.

The Big 12 sponsors 23 sports with the addition of equestrian and rowing for the 2011-12 campaign. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, softball, swimming & diving, tennis and volleyball.

The Conference is comprised of 10 institutions in the Central time zone that have shared many traditional rivalries throughout their histories. Member schools include - Baylor University, Iowa State University, University of Kansas, Kansas State University, University of Missouri, University of Oklahoma, Oklahoma State University, University of Texas, Texas A&M University and Texas Tech University.

The institutions created a league that encompasses five states and over 40 million people. More than 4,200 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference conducts championships for 20 of its 23 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football regular season championship earns the league's berth into the Bowl Championship Series.

In its first 15 years, the Conference has distributed more than \$1.4 billion to its member institutions. The conference office is headquartered in Irving, Texas.
